Suggested Motion: Approval of the minutes of the August 11, 2016 Public Hearing held August 11, 2016 of the City of Starkville H.O.M.E. Grant.

Minutes of Initial Public Hearing
City of Starkville, Mississippi
2016 HOME Grant Application
August 11, 2016

The City of Starkville held a public hearing on August 11, 2016 at 5:30 PM in the Starkville City Hall. The purpose of this hearing was to obtain input from local citizens in the development of an application to the Mississippi Home Corporation (MHC) for HOME grant funds.

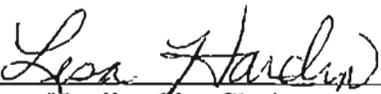

Mr. Spencer Brooks, Project Administrator from Golden Triangle Planning and Development District, was present and explained the application process and rating factors for this grant program. He stated that the Mississippi Home Corporation has approximately \$3.4 million in funds from the U. S. Department of Housing and Urban Development for homeowner rehabilitation/reconstruction which will be made available to local units of government through a competitive application process. GTPDD also stated that the grant applications are due at the MHC office in Jackson no later than 3:00 PM on August 19, 2016.

The program changes were highlighted to those in attendance, emphasizing that the application being submitted was a Phase I Application, and that no homeowner selection was taking place at this time. The attendees were given information on the Phase I process, and that if the application ranked high enough, a Phase II Application would be requested. Once a Phase II Application was requested, then homeowner selection would begin. The areas with the highest percentage of monthly owner costs would receive first priority. Also, the focus would be more on rehabilitation, rather than reconstruction.

The administrator asked if there were any questions or comments from the attendees.

There being no further questions or comments, the hearing was adjourned.

A roster of those attending is attached.

SUBJECT: Consideration of conveying property to OCEDA.

AMOUNT & SOURCE OF FUNDING: N/A

AUTHORIZATION HISTORY: The City and County entered into an Interlocal Agreement to participate in an economic development project and to jointly provide the funds for construction of a commercial building in the MS Research and Technology Park. At the end of fifteen (15) years or at such time all indebtedness for the construction of the project had been satisfied, whichever first occurred, the City and the County agreed to convey title to OCEDA, who has been leasing the property to Service Zone Inc / Sitel.

AUTHORIZATION:**

SUGGESTED MOTION: Approval of the conveyance of property of OCEDA

Service Zone Incentive Package Financing Proposal to the Oktibbeha County Board of Supervisors

Background: Service Zone, a technical support/customer service center with anticipated employment of 600+ employees, wishes to locate a center in the Mississippi Research and Technology Park. As an incentive, a 42,000 s.f. building is to be constructed on 10.5 acres in the Research Park. The cost of this building will be \$2.855 Million; the company will invest approximately \$3.15 Million in the total \$6 Million project.

The building will be leased to the company for 15 years. Lease payments will be made by job credits of \$1,000 per job (FTE) per year for ten years only. After the 10th year the company will either have paid off the \$2.855 Million in job credits or if not, will pay the city and the county the difference. Title to the building and property will not transfer to Service Zone until the *entire* indebtedness is paid by OCEDA, the city and the county (scheduled to be paid off in 15 years).

Funding Summary: The project cost is projected at \$2.855 Million. The project will be funded by two CAP (Capital Improvement) Loans of \$1 Million each (total \$2 Million) from the State of Mississippi, one to the City of Starkville and one to Oktibbeha County. The 15-year term CAP loans will have an interest rate of 5.7% and 6.225% (estimated) respectively. TVA is lending \$855,000 difference at 2.75% for ten years.

Proposal: The following is proposed to repay the \$2.855 Million obligation:
Oktibbeha County will assume responsibility for one-half of the obligation with a commitment of up to \$150,000 per year for years three through fifteen of the obligation. *OCEDA* will pay the County's portion of the obligation for years one and two.
The *City of Starkville* will assume responsibility for one-half of the obligation for the entire fifteen year period.

See the attached "Proposed Funding Sources and Debt Service" for details of the repayment plan.

Project Status: The company is currently training employees in a temporary location at the Center for Manufacturing Technology Excellence at East Mississippi Community College at Mayhew; OCEDA is renting this space for the company at \$10,000 per month for up to six months. Until the building is complete and ready for occupancy, the company will operate from the rented facilities at the Center for Manufacturing Technology Excellence. As of September 21, the company had 200 employees on payroll, either in training or ready for work. Operations is scheduled to begin on September 25, with shifts working 24 hours/day, 7 days/week.

The company is well pleased with the quality and quantity of applicants, and it is likely that the full employment estimate of 600 will be reached well ahead of the three years originally expected. The workforce could go beyond the 600.

The City of Starkville has received a CDBG grant of \$381,607 to be used for site preparation and a DIP grant of \$180,109 for infrastructure (utilities, roadways, etc.). Bids for the site preparation have been received and a bid accepted. Work on site preparation should begin within a month.

THIS LEASE PURCHASE AGREEMENT ("Lease Agreement") is entered into by and between Oktibbeha County Economic Development Authority (OCEDA) ("Lessor") and Service Zone, Inc. ("Lessee").

INTRODUCTION

1. The City of Starkville (herein referred to as the "City") and Oktibbeha County (herein referred to as the "County") have entered into an Interlocal Agreement to participate in an economic development project and to jointly provide the funds for construction of a commercial building in the Mississippi Research and Technology Park;

2. Oktibbeha County Economic Development Authority (OCEDA) is the economic development agency that owns and operates the Mississippi Research and Technology Park. OCEDA was the owner of ten and one-half (10.5) acres of land in the Mississippi Research and Technology Park that it has conveyed to the City and the County for this project;

3. The City and the County hold title to the 10.5 acres of land in the Mississippi Research and Technology Park, and will construct a building on the project site, herein referred to as the "leased premises." The City and the County will hold title to the land and building for a period not to exceed fifteen (15) years or until all indebtedness for the construction of the project has been satisfied, whichever first occurs, at which time the City and the County will convey title to OCEDA;

4. The City and the County have authorized OCEDA to lease the subject property to Service Zone, Inc., and to manage the same over the term of this lease;

5. Service Zone, Inc., the Lessee, desires to lease the subject property from the Lessor and to ultimately purchase the property from OCEDA with full time equivalent

job credits, and Lessee and OCEDA desire to reduce their agreement to writing as hereinafter stated:

AGREEMENT

NOW THEREFORE, in consideration for the covenants contained in this Lease Agreement and Ten Dollars (\$10.00) and other good and valuable consideration, the parties agree as follows:

I. PROPERTY

1. Description. Lessor leases to Lessee the premises (the "Leased Premises") at the Mississippi Research and Technology Park, Starkville, Mississippi, more particularly described as a commercial building of 43,736 square feet and situated on a ten and one-half (10.5) acre lot further set out and described in the drawing attached as Exhibit One (1) to this Lease Agreement.

2. TERM

LAND-

2.1 Commencement Of Term, Term and Termination Date. This Lease Agreement shall commence on 12/12, 2000 (the "Commencement Date") and shall terminate ten (10) years from date, being 12/12/10 (the "Termination Date").

2.2 Automatic Renewal on Condition of Payment. This lease shall be automatically renewed without notice for an additional term of five (5) years if the Lessee has met its obligations under Paragraph 3 of the agreement as hereafter provided.

2.2 Holdover. Any holdover at the expiration of this Lease Agreement shall be as a tenant at will. During such holdover tenancy, if any, Lessee will be bound by all of the terms, conditions and covenants of this Lease Agreement except that Lessee shall pay to Lessor as rent for the period of such holdover tenancy one and one-half (1½) times

the rents payable by Lessee for the month immediately preceding expiration or termination. Any holdover tenancy may be terminated by either party upon thirty (30) days' prior written notice. No holding over by the Lessee shall operate to extend this Lease Agreement except as set forth in this section.

3. RENT

3.1 Rent. During the ten (10) year term of this Lease Agreement, Lessee shall pay to the Lessor without demand, deduction or set off, annual rent in the amount of \$6.5278 per square foot on forty-three thousand seven hundred thirty-six square feet (43,736') which is annual rent of \$285,500 commencing one (1) year from commencement date and thereafter payable annually on the first day of each year of the lease thereafter for ten (10) years until the total lease purchase price of \$2,855,000.00 has been paid. No additional rental adjustments, fees, dues or expenses shall be paid by Lessee unless specifically provided for within this Agreement. It is understood and agreed that the Lessee will receive a credit of \$1,000.00 against the annual rent payment for each full-time equivalent job per year until the full lease purchase amount of \$2,855,000.00 has been credited, or ten (10) years from the date hereof, whichever first occurs. If the Lessee exceeds the credit or has insufficient credits in any one year, the excess or the deficiency will carry forward to succeeding years. In the event that the Lessee does not provide the minimum number of 285.5 equivalent jobs for ten (10) years, the Lessee will pay the Lessor the difference in a cash lump sum payment at the end of the tenth year within thirty (30) days. In the event that the total sum of \$2,855,000.00 has been paid in credits or cash or both, the lease shall be automatically extended for another five (5) years without rent, and at the end of said five years when all City and County indebtedness has been paid, the City and County will convey title

to OCEDA, and OCEDA will convey title by Warranty Deed to the Lessee. In the event that the Lessee is not current at the end of ten (10) years and is unable or unwilling to pay the difference in cash, the Lessor shall have the option to extend or to terminate the lease.

4. THE LEASED PREMISES

4.1 Use Clause. Lessee shall use the Leased Premises for a technology support and client service center and related purposes (the "Intended Use"). Lessee shall not create a nuisance or conduct or allow to be conducted in, on or from Leased Premises, any illegal or unauthorized use.

Lessee shall obtain all necessary licenses and permits which may be required for the conduct of its business on the Leased Premises, however, it is agreed that the City of Starkville will waive building permit fees associated with the construction of the facility. Lessee shall, at its expense, use its best efforts promptly to observe and comply with all present and future laws, ordinances, directives, orders, rules and regulations of all federal, state, municipal or other authorities having or claiming jurisdiction over the Leased Premises, Lessee or the conduct of Lessee's business. After written notice to Lessor, Lessee may, at its own cost and expense, contest in good faith the validity of any such laws, ordinances, directives, orders, rules and regulations; provided, however, in any event, Lessee shall indemnify and hold Lessor harmless from any cost, expense or consequence of such contest.

4.3 Signs. The parties agree that Lessee may place signs on the property as specified by the Restrictive Covenants applicable to the Mississippi Research and Technology Park.

4.4 Concessions or Licensees. Lessee shall not permit any business to be

operated in or from the Leased Premises by any concessionaire or Licensee, except food concessionaires, without first obtaining the prior written consent of Lessor which may be withheld for any reason at Lessor's option.

4.5 Alterations, Additions and Improvements. Lessee, at its expense, shall maintain the Leased Premises and its appurtenances (including heating and air conditioning) in good repair and in at least as good condition as that in which they were delivered, ordinary wear and tear excepted. However, Lessor shall be responsible for any expenses associated with common area maintenance and repair outside the 10.5 acres. Common area includes the parking lots, sidewalks, driveways, lawns, gardens and landscaped areas, service areas, corridors and other areas used in common and are not included in the 10.5 acres under lease. To the extent that Lessee makes any alterations, additions, improvements, repairs or replacements to the leased premises, all such work shall be at Lessee's sole cost and expense and Lessee shall be wholly responsible to all contractors, subcontractors, laborers, materialmen and suppliers. Lessee agrees to indemnify and save Lessor harmless from any and all liabilities, damages or penalties and any costs, expenses or claims of any kind or nature (including, but not limited to, attorney's fees) arising out of such alteration, addition, improvement, repair or replacement or otherwise, and such indemnification shall apply to injury or damage to persons or property. All alterations, additions, improvements, repairs, replacements and changes in or to the Leased Premises required by any governmental regulation as a result of any ordinance, regulation or other law applicable to Lessee or to the use made of the Leased Premises by Lessee shall be made by Lessee at Lessee's expense.

4.7 Liens. Lessor and the Leased Premises shall not under any circumstances be liable for any alterations, additions, improvements, repairs, replacements or fixtures

made or installed by Lessee on the Leased Premises after the Commencement Date. In the event any lien or other claim is asserted after the Commencement Date against Lessor or the Leased Premises as a result of Lessee's making any alterations, additions, improvements, repairs or replacements or installing any fixture or Lessee's taking or failing to take any action, Lessee shall, at its expense, cancel the lien or claim or cause it to be canceled or otherwise provide security sufficient to stay the execution of any lien or other claim being contested by Lessee within ten (10) business days after notice of the lien or claim. In the event Lessee fails to cancel, discharge or provide security sufficient to stay execution of such lien or claim during such ten (10) business day period, Lessor shall have the right to cancel the lien or discharge the claim and Lessee shall thereafter pay to Lessor any amount paid by Lessor in discharging such claim or canceling such lien together with all costs, expenses and attorney's fees incurred, which shall be payable to Lessor upon receipt by Lessee of any itemized statement or invoice. Lessee waives any right to contest the payment by Lessor and, as between Lessor and Lessee, such payment shall be presumed to have been validly due and paid to the recipient.

INSURANCE TO BE MAINTAINED BY LESSEE

5.1 Insurance Required. Lessee shall, at its expense, maintain public liability and property damage insurance with a single combined liability limit of not less than One Million Dollars (\$1,000,000.00) insuring against all liability of Lessee and its authorized representatives arising out of or in connection with Lessee's lease, use or occupancy of the Leased Premises of from Lessor's ownership and lease of the Leased Premises.

Lessee shall maintain a standard fire and casualty coverage insurance policy with the Lessor as loss payee; said Insurance policy shall be issued by and binding upon a solvent insurance company licensed, qualified and admitted to do business in the State of Mississippi, insuring the Leased Premises to the extent of the full replacement value. Lessee shall be responsible for the fire and casualty insurance coverage on the total building. Lessee agrees that the premiums for such

insurance, including any increases in premiums, shall be paid by the Lessee, whether such increase results from increases in insurance rates, premiums, assessments or increased coverage.

7.2 Partial Destruction. If the Leased Premises are not totally destroyed from any cause rendering the Leased Premises wholly untenable, Lessor shall proceed to restore the Leased Premises to substantially the same condition that existed immediately before the destruction. In the case of such destruction, there shall be an abatement or reduction of rent between the date of the destruction until restoration is complete or until Lessee occupies the previously untenable portion, whichever is earlier, based on the extent to which the destruction interferes with Lessee's use of the Leased Premises.

7.3 Delay In Restoration. Lessor shall incur no liability to Lessee for delays in repair or restoration caused by adjustment of insurance claims, governmental requirements or any cause beyond Lessor's reasonable control.

8. ASSIGNMENT AND SUBLEASING

8.1 No Assignment Without Consent. The Leased Premises shall not be assigned or subleased, voluntarily or by operation of law or otherwise, in whole or in part, by Lessee or its successors, assignees or sublessees, unless prior written consent of Lessor is first obtained, which consent shall not be unreasonably withheld. In addition to any other reasonable ground, it shall be reasonable for the Lessor to refuse to consent to a proposed assignment or sublease if: (a) Lessee is in default with regard to any of its rental obligations under this Lease Agreement; (b) the contemplated use of the Leased Premises by the proposed assignee or sublessee is not consistent with the Lessor's use of adjacent property it may own; or (c) the proposed assignee or sublessee is not financially secure or solvent in Lessor's opinion.

8.2 Written Notice Of Proposed Assignment. In the event Lessee intends to assign or sublease the Leased Premises or any part thereof, Lessee shall give written notice to Lessor at least thirty (30) days prior to the proposed assignment or sublease. In addition, Lessee shall provide to Lessor, upon written request, any information, financial or otherwise, which Lessor requests relating to the terms of the proposed assignment or sublease, and relating to the proposed assignee or sublessee. Lessee shall also provide Lessor with a final copy of the proposed assignment or sublease.

8.3 Conditions Of Assignment Or Sublease. Any assignment or sublease to which Lessor in its discretion may consent will be subject to the following terms and conditions:

(a) The assignee or sublessee shall expressly assume in writing and agree to perform and be liable for all of the terms, conditions and covenants of this Lease Agreement.

(b) Lessee shall be and remain fully responsible and liable for the performance of all of the terms, conditions and covenants of this Lease Agreement.

(c) In the event it becomes necessary for Lessor to file suit to enforce any of the terms, conditions or covenants of this Lease Agreement, Lessor may in its sole discretion proceed with such suit against Lessee or the assignee or sublessee, jointly or severally, and Lessor shall not be required to join any other party.

(d) Lessee will deliver to Lessor within ten (10) days of its execution a duplicate original of the assignment or sublease.

8.4 Limitations Of Consent. Lessor's consent to a specific assignment or sublease shall not be deemed to be a consent to any subsequent assignment or sublease. If the Leased Premises or any part are assigned or subleased without Lessor's prior written consent, Lessor may nevertheless collect rent from the assignee or sublessee without waiving any of its rights under this Lease Agreement.

9. TAXES

OCEDA agrees to assist Service Zone, Inc. in obtaining tax exemption for all City and County taxes on ad valorem property, exclusive of school taxes, for a period of ten (10) years beginning with the year the facility is completed and operational by Service Zone, Inc., and upon application by Service Zone, Inc., to the City and County. OCEDA represents to the company that both the City and County have agreed to said exemptions.

10. DEFAULTS AND REMEDIES

10.1 Events Of Default. Lessor may, in its sole discretion, terminate this Lease Agreement in any of the following circumstances:

(a) If Lessee shall be in default in the performance of any term,

condition or covenant of this Lease Agreement (other than the covenant for the payment of rents), and if such default is not cured within ninety (90) days after written notice of the default is given by Lessor or, if such default shall be of such nature that it cannot be cured completely within such ninety (90)-day period, if Lessee shall not have promptly commenced actions to cure the default within such ninety (90)-day period and shall not thereafter proceed with reasonable diligence and in good faith to cure such default.

(b) If Lessee shall be finally adjudicated as bankrupt, shall make a general assignment for the benefit of creditors, take the benefit of any insolvency act, if a permanent receiver or trustee in bankruptcy shall be appointed for Lessee, or if Lessee shall not generally be paying its debts as such debts become due. For these purposes, "Lessee" shall mean Lessee and any assignee or sublessee.

(c) If this Lease Agreement shall be assigned or the Leased Premises sublet in whole or in part other than in accordance with the terms of this Lease Agreement and such default is not cured within thirty (30) days after written notice of the default is given by Lessor to Lessee.

(d) If Lessee shall be in default in the payment of any rents and such default is not cured within thirty (30) days after written notice of the default is given by Lessor to Lessee.

10.2 Termination Upon Default. If Lessor shall have given the written notice of termination or default provided above, then at the expiration of the pertinent period, this Lease Agreement shall terminate as completely as if that were the date definitely fixed for the termination of the term of this Lease Agreement, and Lessee shall then surrender the Leased Premises to Lessor. If this Lease Agreement shall so terminate, it shall be lawful for Lessor, at its option, without formal demand or notice, to immediately

re-enter and secure the Leased Premises and to remove Lessee and Lessee's property without being liable for any damages. Upon the termination of this Lease Agreement, as provided, Lessor shall have the right, at its election, to terminate any sublease or assignment then in effect, without the consent of the sublessee or assignee concerned.

10.3 Right Of Entry. Nothing in this Lease Agreement shall be deemed to require Lessor to give Lessee any notice, other than such notice as may be required by law, prior to the commencement of any civil action for nonpayment of rents or to obtain possession of the Leased Premises, it being intended that the notice period referenced elsewhere in this Lease Agreement is only for the purpose of creating a conditional limitation pursuant to which this Lease Agreement shall terminate and not a limitation on Lessor's immediate right of possession and re-entry.

10.4 Re-Letting Optional. If this Lease Agreement shall terminate as provided in this section, Lessor shall have the right, but not the obligation, at its option to re-let the Leased Premises for the remainder of the term provided for in this Lease Agreement, and if the rents received through such re-letting do not equal the rents provided for in this Lease Agreement, Lessee shall pay and satisfy upon demand any deficiency between the amount of rent so provided for and that actually received through re-letting, with any rentals received in excess of the rent provided for being the sole property of Lessor. Lessee consents to establishing the deficiency on the date a new lease is executed and waives any right to require a delay in entering judgment in full until the Termination Date would have occurred.

10.5 Rights Cumulative. All rights and remedies of Lessor under this Lease Agreement or otherwise available at law or in equity shall be cumulative and not exclusive. Lessor may pursue any one or more of such rights and remedies at any time

and from time to time without waiving any other rights and remedies or electing one to the exclusion of any other.

11. ATTORNEY'S FEES

In the event Lessor or Lessee default in the performance of any of the respective terms, conditions, or covenants of this Lease Agreement and the non-defaulting party retains an attorney to enforce its rights under this Lease Agreement, the defaulting party agrees to pay the reasonable attorney's fees incurred by the non-defaulting party in enforcing its rights under this Lease Agreement, provided that the non-defaulting party prevails in any action, with or without filing suit, or is successful in settlement.

12. WAIVER OF BREACH

The failure of Lessor or Lessee to declare any default or breach of any term, condition or covenant of this Lease Agreement immediately upon the occurrence of the default or breach, or Lessor's or Lessee's delay in taking any action in response to any default or breach, shall not waive such default or breach, nor any subsequent default or breach, and Lessor or Lessee shall have the right to declare any default or breach at any time and take appropriate action.

13. DELIVERY OF LEASED PREMISES

UPON TERMINATION OF LEASE AGREEMENT

At the termination of the Lease Agreement, Lessee shall deliver to the Lessor the Leased Premises in the same good order and condition as existed on the Commencement Date of the Lease Agreement, reasonable wear and tear excepted.

14. INDEMNIFICATION AND HOLD HARMLESS

14.1 Indemnification For Bodily Injury Or Property Damage. Lessee indemnifies and agrees to hold Lessor harmless from all liability, including costs, expenses and

attorney's fees arising out of damage or injury to persons or property occurring in or on the Leased Premises by reason of or arising out of this Lease Agreement or Lessee's use of the Leased Premises or the use by any officer, agent, employee, customer, licensee or invitee of Lessee or by anyone claiming by or through Lessee or any such person or persons.

14.2 Indemnification For Security. Lessee shall be responsible for the security of its employees, officers, customers, agents, licensees and invitees and Lessor shall not be responsible for any damage, theft, loss or injury sustained by Lessee, its officers, employees, customers, agents, licensees, or invitees, whether to persons or property, and Lessee releases Lessor from all such responsibility and indemnifies and agrees to hold Lessor harmless from any or liability in connection with such damage, theft, loss or injury.

WHEREAS, the Mayor and Board of Aldermen (the "Governing Body") of the City of Starkville, Mississippi (the "Municipality"), acting for and on behalf of the Municipality, hereby finds, determines, adjudicates, and declares as follows:

1. Pursuant to the Series 2016A Bond Resolution and the Series 2016B Bond Resolution (as same are hereinafter defined), the project is defined as the acquiring, renovating, equipping and furnishing of the old city hall building and associated real and personal property, including without limitation the repair, patching, overlay, and striping of the building's parking lot, located at 101 East Lampkin Street in Starkville, Mississippi, to house and facilitate the operations of the Starkville Police Department (the "Project").

2. On June 7, 2016, the Governing Body adopted a resolution entitled "RESOLUTION DIRECTING THE ISSUANCE OF GENERAL OBLIGATION PUBLIC IMPROVEMENT BONDS, SERIES 2016A, OF THE CITY OF STARKVILLE, MISSISSIPPI, IN THE PRINCIPAL AMOUNT OF THREE MILLION DOLLARS (\$3,000,000) TO RAISE MONEY FOR THE PURPOSE OF ACQUIRING, RENOVATING, EQUIPPING AND FURNISHING OF THE THEN-PRESENT CITY HALL BUILDING AND ASSOCIATED REAL AND PERSONAL PROPERTY, INCLUDING WITHOUT LIMITATION THE REPAIR, PATCHING, OVERLAY, AND STRIPING OF THE BUILDING'S PARKING LOT, LOCATED AT 101 E. LAMPKIN STREET IN STARKVILLE, MISSISSIPPI, TO HOUSE AND FACILITATE THE OPERATIONS OF THE STARKVILLE POLICE DEPARTMENT, AND FOR RELATED PURPOSES; PRESCRIBING THE FORM AND INCIDENTS OF SAID BONDS; PROVIDING FOR THE LEVY OF TAXES FOR THE PAYMENT THEREOF; PROVIDING FOR THE SALE OF SAID BONDS; MAKING PROVISION FOR MAINTAINING THE TAX-EXEMPT STATUS OF THE BONDS; AUTHORIZING A BOND INSURANCE POLICY; AUTHORIZING A BOND RATING; APPROVING AND

AUTHORIZING THE DISTRIBUTION OF A PRELIMINARY OFFICIAL STATEMENT; AUTHORIZING THE EXECUTION AND DISTRIBUTION OF AN OFFICIAL STATEMENT; AUTHORIZING THE EXECUTION OF A CONTINUING DISCLOSURE CERTIFICATE; ACKNOWLEDGING AND AUTHORIZING THE EXECUTION OF POST ISSUE COMPLIANCE PROCEDURES; AND FOR RELATED PURPOSES" (the "Series 2016A Bond Resolution").

3. On June 7, 2016, the Governing Body also adopted a resolution entitled "RESOLUTION DIRECTING THE ISSUANCE OF GENERAL OBLIGATION PUBLIC IMPROVEMENT BONDS, SERIES 2016B, OF THE CITY OF STARKVILLE, MISSISSIPPI, IN THE PRINCIPAL AMOUNT OF TWO MILLION FOUR HUNDRED THOUSAND DOLLARS (\$2,400,000) TO RAISE MONEY FOR THE PURPOSE OF ACQUIRING, RENOVATING, EQUIPPING AND FURNISHING OF THE OLD CITY HALL BUILDING AND ASSOCIATED REAL AND PERSONAL PROPERTY, INCLUDING WITHOUT LIMITATION THE REPAIR, PATCHING, OVERLAY, AND STRIPING OF THE BUILDING'S PARKING LOT, LOCATED AT 101 EAST LAMPKIN STREET IN STARKVILLE, MISSISSIPPI, TO HOUSE AND FACILITATE THE OPERATIONS OF THE STARKVILLE POLICE DEPARTMENT; AND FOR RELATED PURPOSES; PRESCRIBING THE FORM AND INCIDENTS OF SAID BONDS; PROVIDING FOR THE LEVY OF TAXES FOR THE PAYMENT THEREOF; PROVIDING FOR THE SALE OF SAID BONDS; MAKING PROVISION FOR MAINTAINING THE TAX-EXEMPT STATUS OF THE BONDS; AUTHORIZING A BOND INSURANCE POLICY; AUTHORIZING A BOND RATING; APPROVING AND AUTHORIZING THE DISTRIBUTION OF A PRELIMINARY OFFICIAL STATEMENT; AUTHORIZING THE EXECUTION AND DISTRIBUTION OF AN OFFICIAL STATEMENT; AUTHORIZING THE EXECUTION OF A CONTINUING DISCLOSURE CERTIFICATE; ACKNOWLEDGING AND AUTHORIZING THE EXECUTION OF POST ISSUE COMPLIANCE PROCEDURES; AND FOR RELATED PURPOSES" (the "Series 2016B Bond Resolution").

4. Pursuant to the Series 2016A Bond Resolution, the Municipality's General Obligation Public Improvement Bonds, Series 2016A, in the principal amount of \$3,000,000 (the "2016A Bonds") were to be offered for sale in accordance with the provisions of Section 31-19-25 of the Mississippi Code of 1972, as amended, on July 7, 2016.

5. Pursuant to the Series 2016B Bond Resolution, the Municipality's General Obligation Public Improvement Bonds, Series 2016B, in the principal amount of \$2,400,000 (the "2016B Bonds") were also to be offered for sale in accordance with the provisions of Section 31-19-25 of the Mississippi Code of 1972, as amended, on July 7, 2016.

6. Said Section 31-19-25 requires that notice of sale of the Series 2016A Bonds and the Series 2016B Bonds be published at least two times in a newspaper of general circulation in the Municipality, the first such publication to be made not less than ten (10) days before the date on which the Series 2016A Bonds and the Series 2016B Bonds are to be sold.

7. Due to delays in the implementation of the Project, it was therefore necessary to amend Section 24 of the Series 2016A Bond Resolution and Section 24 of the Series 2016B Bond Resolution to provide for a new sale date for the Series 2016A Bonds and for the Series

2016B Bonds, and to provide for the required publication of the notice of sale for the Series 2016A Bonds and for the Series 2016B Bonds.

8. The Municipality amended the notice of sale of the Series 2016A Bonds and the Series 2016B Bonds to publish the required notice of sale of the Series 2016A Bonds and the Series 2016B and the award thereof on July 19, 2016.

9. On July 5, 2016, the Municipality rejected the construction bids for the Project, and it is now necessary to amend Section 24 of the Series 2016A Bond Resolution and Section 24 of the Series 2016B Bond Resolution to provide for new sale dates for the Series 2016A Bonds and the Series 2016B Bonds, and to provide for the required publication of the notice of sale for the Series 2016A Bonds and for the Series 2016B Bonds.

10. Because of the lapse of time since the original proposed date of sale of the Series 2016A Bonds and of the Series 2016B Bonds, it is now necessary to amend Section 4 of the Series 2016A Bond Resolution and Section 4 of the Series 2016B Bond Resolution to reflect new dated dates and maturity dates for the Series 2016A Bonds and the Series 2016B Bonds.

NOW, THEREFORE, be it resolved by the Governing Body as follows:

AUTHORITY AND SECURITY: The Bonds will be issued pursuant to the provisions of Sections 21-33-301 through 21-33-329, Mississippi Code of 1972, as amended (the "Act"), and shall be general obligations of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount upon the taxable property within the geographical limits of the Municipality. To the extent other moneys are not available, the Municipality will levy annually a direct and continuing tax upon all taxable property within the geographical limits of the Municipality, which tax, together with any other moneys available for such purpose, shall be adequate and sufficient to provide for the payment of the principal of and the interest on the Bonds as the same falls due.

PURPOSE: The Bonds are being issued to provide funds for acquiring, renovating, equipping and furnishing of the old city hall building and associated real and personal property, including without limitation the repair, patching, overlay, and striping of the building's parking lot, located at 101 East Lampkin Street in Starkville, Mississippi, to house and facilitate the operations of the Starkville Police Department, and for related purposes.

FORM OF BIDS: Bids should be addressed to the Mayor and Board of Aldermen and should be plainly marked "Bid for General Obligation Public Improvement Bonds, Series

2016A, of the City of Starkville, Mississippi," and should be filed with the City Clerk of the Municipality on or prior to the date and hour hereinabove named. All bids should be submitted substantially in the form prepared by the Municipality. A copy of the Preliminary Official Statement and the bid form may be obtained from Brad C. Davis at Jones Walker LLP, Jackson, Mississippi (601-949-4623; bdavis@joneswalker.com).

INTEREST RATE AND BID RESTRICTIONS: The Bonds shall not bear a greater overall maximum interest rate to maturity than eleven percent (11%) per annum, nor shall the interest rate for any one maturity exceed eleven percent (11%) per annum. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from date to maturity; and the lowest interest rate specified shall not be less than seventy percent (70%) of the highest interest rate specified. Each interest rate specified in any bid must be a multiple of one-eighth of one percent ($1/8^{\text{th}}$ of 1%) or one-tenth of one percent ($1/10^{\text{th}}$ of 1%), and a zero percent (0%) rate of interest cannot be named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier's check, certified check, or exchange, issued or certified by a bank located in the State of Mississippi, payable to the Mayor and Board of Aldermen of the City of Starkville, Mississippi, in the amount of Sixty Thousand Dollars (\$60,000) as a guaranty that the bidder will carry out its contract and purchase the Bonds if its bid be accepted. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. If the successful bidder fails to purchase the Bonds pursuant to its bid and contract, then the amount of such good faith check shall be retained by the Municipality as liquidated damages for such failure. No interest will be allowed on the amount of the good faith deposit.

DTC BOOK-ENTRY-ONLY: The Bonds are being initially offered as registered in the name of Cede & Co., as Registered Owner and nominee for The Depository Trust Company, New York, New York ("DTC") under DTC's Book-Entry-Only system of registration. Purchasers of interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates and ownership by the Beneficial Owners of the Bonds will be evidenced by book-entry-only. As long as Cede & Co. is the Registered Owner of the Bonds as nominee of DTC, payments of principal and interest will be made directly to such Registered Owner which will in turn remit such payments to the DTC participants for subsequent disbursement to the Beneficial Owners.

AWARD OF BONDS: The award, if any, will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest net interest cost to the Municipality, which shall be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six (6) decimal places), but such statement will not be considered a part of the bid. All bids shall remain firm for four (4) hours after the time specified for the opening of bids, and an award of the Bonds, or rejection of bids, will be made by the Governing Body within said period of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as to waive any irregularity or informality in any bid. The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The Governing Body shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful bidder may designate a bank or trust company located within the State of Mississippi to serve as paying agent (the "Paying Agent") for the Bonds within forty-eight (48) hours of the date of sale of the Bonds, subject to the approval of the Governing Body. The Governing Body's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registrar and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to change by order of the Governing Body under the conditions and in the manner provided in the Bond Resolution under which the Bonds are issued. Both principal of and interest on the Bonds will be payable by check or draft mailed to Registered Owners of the Bonds as of the fifteenth (15th) day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the Municipality maintained by the Paying Agent. The Bonds will be transferable only upon the books of the Paying Agent, and payment of principal at maturity shall be conditioned on the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within thirty (30) days of the date of sale, or at such other later date as may be designated by the Governing Body, the names and addresses of the Registered Owners of the Bonds and the denominations in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the required time, one Bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment therefor shall be made in immediately available funds.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Municipality; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Jones Walker LLP, Jackson, Mississippi, Bond Counsel. In the opinion of Jones Walker LLP, Jackson, Mississippi, interest on the Bonds is exempt from federal and Mississippi income taxes under existing laws, regulations, rulings and judicial decisions with such exceptions as shall be described in the Official Statement for the

Bonds. A copy of the opinion of Bond Counsel, together with the usual closing papers, including a non-litigation certificate dated the date of delivery of the Bonds, evidencing that no litigation is pending in any way affecting the legality of the Bonds or the taxes to be levied for the payment of the principal thereof and interest thereon, and a transcript of the proceedings relating to the Bonds will be delivered to the successful bidder without charge. The Municipality will pay for all legal fees and will pay for the printing and validation of the Bonds.

BONDS AS QUALIFIED TAX-EXEMPT OBLIGATIONS: The Municipality has designated the Bonds as qualified tax-exempt obligations within the meaning and for purposes of Section 265(b)(3) of the Code.

INFORMATION FROM PURCHASER: The purchaser must certify to the Municipality the initial offering price to the public (excluding bond houses, brokers and other intermediaries) of each maturity of the Bonds at which a substantial amount of Bonds of that maturity were sold, to enable the Municipality to compute the yield on the Bonds for federal arbitrage law purposes.

FURTHER INFORMATION: The Municipality has prepared a Preliminary Official Statement which it deems, for purposes of SEC Rule 15c2-12, to be final and complete as of this date except for the omission of the offering prices, interest rates, and any other terms of the Bonds depending on such matters, and the identity of the underwriters, subject to revision, amendment and completion in a final Official Statement. By submission of its bid, the successful bidder will be deemed to have certified that it has obtained and reviewed the Preliminary Official Statement. Upon the award of the Bonds, the Municipality will publish an Official Statement in substantially the same form as the Preliminary Official Statement, subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement.

CONTINUING DISCLOSURE: In order to assist bidders in complying with S.E.C. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement. Failure of the Municipality to deliver the Continuing Disclosure Certificate at the time of issuance and delivery of the Bonds shall relieve the successful bidder from its obligation to purchase the Bonds.

Notice of each such redemption shall be mailed, postage prepaid, not less than thirty (30) days prior to the redemption date, to all Registered Owners of the Bonds to be redeemed at their addresses as they appear on the registration books of the Municipality kept by the Paying Agent. If less than all of the outstanding Bonds of a maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Paying Agent by lot or random selection in such manner as it shall deem fair and appropriate. The Paying Agent may provide for the selection of portions of the principal of the Bonds, in integral multiples of Five Thousand Dollars (\$5,000), and for all purposes of the Bond Resolution, all provisions pertaining to the redemption of the Bonds shall relate, in the case of any Bond redeemed or to be redeemed only in part, to the portion of the principal of such Bond which has been or is to be redeemed.

AUTHORITY AND SECURITY: The Bonds will be issued pursuant to the provisions of Sections 21-33-301 through 21-33-329, Mississippi Code of 1972, as amended (the "Act"), and shall be general obligations of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount upon the taxable property within the geographical limits of the Municipality. To the extent other moneys are not available, the Municipality will levy annually a direct and continuing tax upon all taxable property within the geographical limits of the Municipality, which tax, together with any other moneys available for such purpose, shall be adequate and sufficient to provide for the payment of the principal of and the interest on the Bonds as the same falls due.

PURPOSE: The Bonds are being issued to provide funds for acquiring, renovating, equipping and furnishing of the old city hall building and associated real and personal property, including without limitation the repair, patching, overlay, and striping of the building's parking lot, located at 101 East Lampkin Street in Starkville, Mississippi, to house and facilitate the operations of the Starkville Police Department; and for related purposes.

FORM OF BIDS: Bids should be addressed to the Mayor and Board of Aldermen and should be plainly marked "Bid for General Obligation Public Improvement Bonds, Series 2016B, of the City of Starkville, Mississippi," and should be filed with the City Clerk of the

Municipality on or prior to the date and hour hereinabove named. All bids should be submitted substantially in the form prepared by the Municipality. A copy of the Preliminary Official Statement and the bid form may be obtained from Brad C. Davis at Jones Walker LLP, Jackson, Mississippi (601-949-4623; bdavis@joneswalker.com).

INTEREST RATE AND BID RESTRICTIONS: The Bonds shall not bear a greater overall maximum interest rate to maturity than eleven percent (11%) per annum, nor shall the interest rate for any one maturity exceed eleven percent (11%) per annum. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from date to maturity; and the lowest interest rate specified shall not be less than seventy percent (70%) of the highest interest rate specified. Each interest rate specified in any bid must be a multiple of one-eighth of one percent ($1/8^{\text{th}}$ of 1%) or one-tenth of one percent ($1/10^{\text{th}}$ of 1%), and a zero percent (0%) rate of interest cannot be named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier's check, certified check, or exchange, issued or certified by a bank located in the State of Mississippi, payable to the Mayor and Board of Aldermen of the City of Starkville, Mississippi, in the amount of Forty-Eight Thousand Dollars (\$48,000) as a guaranty that the bidder will carry out its contract and purchase the Bonds if its bid be accepted. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. If the successful bidder fails to purchase the Bonds pursuant to its bid and contract, then the amount of such good faith check shall be retained by the Municipality as liquidated damages for such failure. No interest will be allowed on the amount of the good faith deposit.

DTC BOOK-ENTRY-ONLY: The Bonds are being initially offered as registered in the name of Cede & Co., as Registered Owner and nominee for The Depository Trust Company, New York, New York ("DTC") under DTC's Book-Entry-Only system of registration. Purchasers of interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates and ownership by the Beneficial Owners of the Bonds will be evidenced by book-entry-only. As long as Cede & Co. is the Registered Owner of the Bonds as nominee of DTC, payments of principal and interest will be made directly to such Registered Owner which will in turn remit such payments to the DTC participants for subsequent disbursement to the Beneficial Owners.

AWARD OF BONDS: The award, if any, will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest net interest cost to the Municipality, which shall be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six (6) decimal places), but such statement will not be considered a part of the bid. All bids shall remain firm for four (4) hours after the time specified for the opening of bids, and an award of the Bonds, or rejection of bids, will be made by the Governing Body within said period of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as to waive any irregularity or informality in any bid.

The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The Governing Body shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful bidder may designate a bank or trust company located within the State of Mississippi to serve as paying agent (the "Paying Agent") for the Bonds within forty-eight (48) hours of the date of sale of the Bonds, subject to the approval of the Governing Body. The Governing Body's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registrar and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to change by order of the Governing Body under the conditions and in the manner provided in the Bond Resolution under which the Bonds are issued. Both principal of and interest on the Bonds will be payable by check or draft mailed to Registered Owners of the Bonds as of the fifteenth (15th) day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the Municipality maintained by the Paying Agent. The Bonds will be transferable only upon the books of the Paying Agent, and payment of principal at maturity shall be conditioned on the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within thirty (30) days of the date of sale, or at such other later date as may be designated by the Governing Body, the names and addresses of the Registered Owners of the Bonds and the denominations in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the required time, one Bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment therefor shall be made in immediately available funds.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Municipality; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Jones Walker LLP, Jackson, Mississippi, Bond Counsel. In the opinion of Jones Walker LLP, Jackson, Mississippi, interest on the Bonds is exempt from federal and Mississippi income taxes under existing laws, regulations, rulings and judicial decisions with such exceptions as shall be described in the Official Statement for the Bonds. A copy of the opinion of Bond Counsel, together with the usual closing papers, including a non-litigation certificate dated the date of delivery of the Bonds, evidencing that no litigation is

pending in any way affecting the legality of the Bonds or the taxes to be levied for the payment of the principal thereof and interest thereon, and a transcript of the proceedings relating to the Bonds will be delivered to the successful bidder without charge. The Municipality will pay for all legal fees and will pay for the printing and validation of the Bonds.

BONDS AS QUALIFIED TAX-EXEMPT OBLIGATIONS: The Municipality has designated the Bonds as qualified tax-exempt obligations within the meaning and for purposes of Section 265(b)(3) of the Code.

INFORMATION FROM PURCHASER: The purchaser must certify to the Municipality the initial offering price to the public (excluding bond houses, brokers and other intermediaries) of each maturity of the Bonds at which a substantial amount of Bonds of that maturity were sold, to enable the Municipality to compute the yield on the Bonds for federal arbitrage law purposes.

FURTHER INFORMATION: The Municipality has prepared a Preliminary Official Statement which it deems, for purposes of SEC Rule 15c2-12, to be final and complete as of this date except for the omission of the offering prices, interest rates, and any other terms of the Bonds depending on such matters, and the identity of the underwriters, subject to revision, amendment and completion in a final Official Statement. By submission of its bid, the successful bidder will be deemed to have certified that it has obtained and reviewed the Preliminary Official Statement. Upon the award of the Bonds, the Municipality will publish an Official Statement in substantially the same form as the Preliminary Official Statement, subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement.

CONTINUING DISCLOSURE: In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the Municipality will undertake, pursuant to the Bond Resolution and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement. Failure of the Municipality to deliver the Continuing Disclosure Certificate at the time of issuance and delivery of the Bonds shall relieve the successful bidder from its obligation to purchase the Bonds.

1. Approval to vary from the City of Starkville's Code of Ordinances, Chapter 98, Article III, Section 98-54, Sidewalk requirements which requires the developer construct 5' wide sidewalks on both sides of all new public streets. It is proposed to revise the requirement to build a 5' walk on both sides and allow the developer to construct a single 8' sidewalk on one side of the proposed roadway due to physical constraints and practical usage.
2. Approval to vary from the City of Starkville's Code of Ordinances, Chapter 98, Article IV, Section 98-83, Paving and Street Construction which requires the developer provide a bond and maintain the public roadways as part of the Subdivision until 85% of the lots have received a certificate of occupancy. It is proposed to revise the 85% threshold to 60% which would allow the developer to turn the public roadways over to the City for ownership and maintenance after the permanent certificate of occupancy is provided for

construction on Lot # 1. It is further required that upon commencement of future development of Lot #4, the developer or lot owner of record shall submit a bond or other City approved surety for the repair and maintenance of the public street along the frontage of Lot #4 and said bond shall cover the cost of all repairs and damage done to the City Street during construction and development on Lot #4.

3. Due to the receiving pipe and infrastructure for this subdivision being near capacity and its potential impacts to the Crossgate neighborhood, it will be required that upon future development of Lot #4, the developer shall be required to mitigate the excess stormwater runoff for the 2, 10, 25, 50, and 100 year storm events and not be allowed to increase the post-development runoff from Lot #4 for any of these storm events as compared to the pre-development runoff rate.

Below is information pertaining to C-2 General Business

Sec. L. - C-2 business (general business) zoning district regulations.

These [C-2 general business] districts are intended to be composed of the wide range of commercial goods and services to support community needs. Usually located along arterial streets or near the intersection of two or more arterials, these districts are usually large

and within convenient driving distance of the entire community. The district regulations provide for certain minimum yard and area standards to be met to assure adequate open space and compatibility with surrounding districts. [The following regulations apply in the C-2 districts:]

- 1. See chart for uses permitted.*
- 2. See chart for uses which may be permitted as an exception.*
- 3. Minimum lot size: It is the intent of this ordinance that lots of sufficient size be used for any business or service use and to provide adequate parking and loading space in addition to the space required for the other normal operations of the business or service.*
- 4. Minimum yard size: Front, 20 feet; rear, 20 feet; side, a total of 20 feet, but one side shall be sufficient in width to provide vehicular access to the rear. On any lot [in] which the side lot line adjoins a residential district, the side yard on that side shall not be less than required by the residential district.*
- 5. Maximum height of building or structures: 45 feet.*
- 6. Off-street parking: One space for each 200 square feet of retail or office building area. See article VIII of this ordinance for requirements for other uses.*

- 8. All building facades that are visible from public right-of-way or adjacent property zoned residential shall meet these requirements.*
 - a) The following materials are allowed for use on a building façade: brick, wood, fiber cement siding, stucco, natural stone, and split faced concrete masonry units that are tinted and textured. Architectural metal panels may be used as long as the panels make up less than 40 percent of an individual façade.*
 - b) The following materials are not allowed for use on a building facade: smooth faced concrete masonry units, vinyl siding, tilt-up concrete panels, non-architectural steel panels (R Panels), and EIFS (exterior insulation and finish systems). - 9. All parking lots adjacent to public right-of-way shall be paved either entirely or with a combination of the following: asphalt, concrete, porous pavement, concrete pavers, or brick pavers. Gravel can be used temporarily as a parking surface for a period on no longer than 12 months upon the approval of the community development director. All temporary gravel lots must provide ADA accessible parking and access ways in accordance with the ADA guidelines.*

(Ord. No. 2014-4, 9-16-14)

PLAT PROPOSAL

General Information

The subdivision has a gross acreage of +/-13.3 acres with a total of 5 lots.

Easements and Dedications

One street with a varying right of way with of a minimum width of 50' will be dedicated as part of this plat. Utility easements are shown on the plat.

Findings and Comments

All utility connections are currently available.

Is this lot a part of a previously platted subdivision? If so, were letters of authorization provided by adversely affect property owners adjacent to the parcel.

All parties that would be considered adversely affect property owners were involved in previous sales of subject property and therefore have been determined to not be adversely affect.

CONCLUSIONS

If the Planning and Zoning Commission decides to approve the Applicant's request for a preliminary plat and Final Plat for a lot subdivision, Staff request the following condition:

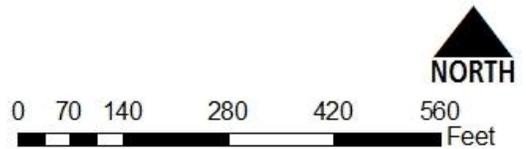

1. When infrastructure plans have been approved for construction, a pre-construction conference shall be held with appropriate city staff prior to the commencement of any construction activities at the site.
2. Bond in the amount of 200% of the engineering cost estimate which will be based on an approved set of infrastructure plans. The bond must meet the standards set forth in the City of Starkville's subdivision ordinance and must meet the City Attorney's approval. The bond is to be approved and executed prior to the case going before the Board of Aldermen for Final Plat approval.
3. When required improvements are complete the applicant shall provide "as-built" drawings of all infrastructure improvements (water, sewer, storm drainage, roadways, sidewalks, etc.) in "AutoCAD" format as well as a paper copy that is signed and sealed by a licensed professional engineer, indicating that the improvements were installed under his/her responsible direction and that the improvements conform to the approved construction plans, specifications and the City's ordinances.

- Initial trench backfill shall be installed using an excavator bucket or other equipment & shall be placed uniformly to a depth of 2" above the top of pipe. Care should be taken to ensure that the initial backfill material is placed beneath the haunches of the pipe using shovels to prevent void space from being produced along the bottom of the pipe.
- Once initial backfill material has been installed, the material shall be wetted & compacted using a vibratory tamp plate.
- Secondary trench backfill material shall be installed using an excavator bucket or other equipment and shall be placed uniformly along the trench bottom. This material shall be installed in 6" thick lifts, wetted & compacted using a vibratory tamp plate. Secondary trench backfill material shall be installed to a minimum depth of 17" below the surface of the existing asphalt pavement.
- MDOT size 610 crushed limestone shall be installed in 6" thick lifts, wetted and compacted with vibratory tamp plate, and installed to a depth of 12" (5" below surface of existing asphalt pavement) in preparation for asphalt pavement.
- In the event that asphalt pavement is not to be installed by the Contractor, additional MDOT size 610 crushed limestone shall be installed to bring the trench elevation flush with the grade of the existing asphalt pavement. This additional material shall be wetted and compacted using a vibratory tamp plate to provide a smooth surface for vehicular traffic.

Non-Traffic HDPE Installation General Notes:

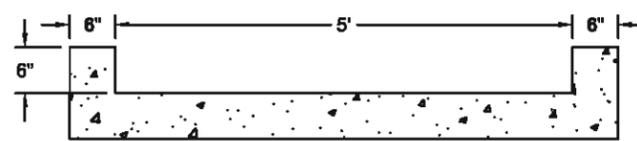

- When pipe trench depth exceeds 5', bracing & shoring must be installed prior to workmen entering the trench to satisfy Occupational Safety & Health Administration (OSHA) regulations.
- Initial trench backfill shall be installed using an excavator bucket or other equipment & shall be placed uniformly in 6" thick compacted lifts to a depth of 4" above the top of the pipe. Care should be taken to ensure that the initial backfill material is placed beneath the haunches of the pipe using shovels or other suitable equipment to prevent voids from being produced along the bottom of the pipe.
- Initial backfill material shall be wetted and compacted using a vibratory tamp plate.
- Secondary trench backfill material shall be installed using an excavator bucket or other equipment & shall be placed uniformly along the trench alignment. This material shall be installed in 6" thick lifts and compacted using a vibratory tamp plate.
- Compact all trench backfill with mechanical tamp plate in 6" MAX LIFTS to 95% standard proctor density.

RE: Proposal for Depository Bid for October 1, 2016-September 30,2018

Dear Ms. Hardin,

We appreciate very much the opportunity to submit a bid for the City's depository for the term of October 1, 2016- September 30, 2018. It would be our pleasure to continue to serve as the primary depository for the City.

Cadence Bank is a regional bank with a network of 66 locations across Alabama, Florida, Mississippi, Tennessee and Texas. Backed by 127 years of financial expertise, Cadence is a financially strong institution with a solid capital base and \$9 billion in assets. Our highly accomplished Board of Directors are leaders in the financial industry and proven to be great partners for all of our business lines.

Cadence Bank is a qualified public funds depository as approved by the Mississippi State Treasurer under Sections 27-105-305 and 27-105-353, Mississippi Code Ann. (1972) and has met the capital ratio requirements. Cadence Bank agrees to provide securities equal to 105% of depository funds in excess of \$250,000 in accordance with section 27-105-5 through 27-105-315 Mississippi code of 1972 as amended. Cadence agrees to observe and comply with federal and state laws, local laws, ordinances, orders, and regulations existing at the time of or enacted subsequent to the execution of a contract.

We would like to offer you a fixed rate of 0.35% (35 basis points) on your checking accounts (short term and long term). In addition to the interest rate, we would also like to offer an Earnings Credit Rate (ECR) of 1.00% (100 basis points) to help offset charges to your account. Based on your current balances and activity, earnings credit would be sufficient to offset all fees with an excess credit to allow for the utilization of some additional products and services to create significant efficiencies for you at no hard charge to your account. For your reference, I have also attached a proforma, disclosing the fees that could be applied to your account. **In summary, based on your current balances and activity, you would have earned \$4,652.95 in interest and would have incurred no service charges for the month of June.**

Additional recommendations or solutions we would like for you to consider would include:

- o **Positive Pay** protects against unauthorized checks issued by the city. Also, it provides reconciliation and cash forecasting reports that are exportable and designed to integrate with your accounting software.

J

- o **ACH Positive Pay** reduces the risk of fraudulent ACH transaction activity. It allows you to set limits on which ACH debits are automatically authorized to be paid, and you are notified each morning of any debits presented to Cadence that does not fit the criteria you establish.
- o **One Card Solution** to easily manage travel and entertainment, along with vendor payments through a secure platform. Gain control of spending and transactions, automated posting files, and the potential for an attractive annual cash rebate.
- o **Lockbox Services** speeds up the collection and processing of your receivables and reduces the days' sales outstanding. In addition, eliminate the time and cost of internal remittance processing by providing you with valuable data files and images you need to update your receivables records. Lockbox imaging and archive also saves you time and money associated with the research and storage of paper items.
- o **Payables (AIP) Lockbox** eases the pain of imaging, routing and approving your payables. Also, we can handle the disbursement of your payables and provide the data file back to you for posting. In addition, we maintain a 7 year image archive for all of your invoices and remittance details for easy access and indexed research capabilities.

Thank you for giving Cadence Bank the opportunity for bid on your depository accounts and to continue providing our services to you.
