ANNOUNCEMENTS AND COMMENTS:

MAYOR'S COMMENTS: The Mayor introduced the following new City employees:

Municipal Court Department: Chana Brooks - Deputy Court Clerk

Police Department: Felesha Jefferson – Radio Operator/Records Clerk, Alexandra Nash – Radio Operator/Records Clerk, Garrett Peters Mittan – Police Officer, Howard Spann – Police Officer

BOARD OF ALDERMEN COMMENTS:

Alderman Perkins noted that the Mayor would be out of town during the November 15 meeting and asked that the Department Heads place all items possible on the November 1 agenda so the Mayor will miss as little discussion of agenda items as possible during his trip to the National League of Cities Conference.

CITIZEN COMMENTS:

Alvin Turner, Ward 7, asked that all employees be appreciated. He stated a lot of people complain about the police but they are the first people they call when they need help.

Anita Bush, Starkville Community Day was a success and she thanked the Police Department, Parks and Recreation Director and the Sanitation Department.

Chris Taylor, invited everyone to attend the October 22, 2016 Starkville Bridges Out of Poverty workshop and distributed a flyer on the event. He also encouraged everyone to vote in the upcoming election.

Mark Castleberry, distributed a map of the Mill at MSU. He expressed concern with Cotton Mill Drive and asked that it be publicly maintained, not privately, and that this be a condition of the plat the Board will be considering later in the meeting, if approved.

Dorothy Issac, asked that Wal Mart not be given any tax credits or tax dollars. She also asked that careful consideration be given to choosing School Board members.

6. CONSIDERATION OF THE REQUEST PP 16-17 FOR PRELIMINARY PLAT APPROVAL FOR ONE PARCEL WITH THE PARENT PARCEL NUMBER 1010-00-337.00.

Buddy Sanders and Emily Corban presented the request for PP 16-17. The applicant Pritchard Engineering, on behalf of Nicholas Properties, LLC, requested approval of a Preliminary Plat for one parcel with the Property Number 1010-00-337.00, located on Mill Street. The subject property is zoned C-2. The properties to the north are zoned C-2. The properties to the east are zoned T-6 and C-2. The properties to the south and west are zoned C-2 and University. The property, known as Cotton Mill Market Place, is currently used as retail. Easements and Dedications are shown on the plat. On September 28, 2016 the Planning and Zoning Commission recommended approval of the Preliminary Plat.

Discussion followed as to adding a condition as to the ownership and future maintenance of Cotton Mill Drive. Once the property is properly platted, the Board Attorney will notify the Clerk to release the TIF funds being held by the City of Starkville.

Upon the motion of Alderman Maynard, duly seconded by Alderman Perkins, to approve request PP 16-17 for preliminary plat approval for one parcel with the parent parcel number 1010-00-337.00 with changing of condition four that the plat shall be amended to dedicate Cotton Mill Drive in fee simple for ownership and maintenance to the City of Starkville, the Board voted as follows to approve the motion:

Alderman Ben Carver	Voted: Nay

Alderman David Little	Voted: Nay
Alderman Jason Walker	Voted: Nay
Alderman Scott Maynard	Voted: Yea
Alderman Roy A'. Perkins	Voted: Yea
Alderman Henry Vaughn, Sr.	Voted: Yea

Having received a majority negative vote, the Mayor declared the motion failed.

Following discussion of the TIF requirements, Alderman Little offered a motion, duly seconded by Alderman Wynn, to approve request PP 16-17 for Preliminary Plat approval for one parcel with the parent parcel number 1010-00-337.00 with the conditions as recommended:

1. The 54 square yards of asphalt to be completed at the top portion of Mill Street as depicted on the plat and the 250 linear feet of curb and gutter on the eastern border of Mill Street as depicted on the plat shall be bonded to the satisfaction of the City engineer prior to approval of the plat.
2. The Developer shall complete the 54 square yards of asphalt by the end of 2016. If the Developer does not complete the 54 square yards of asphalt to the satisfaction of the City engineer by the end of 2016, the Developer shall incur liquidated damages of \$500 per day.
3. The Developer shall complete the 250 linear feet of curb and gutter on the eastern border of Mill Street within six (6) months of a commencement date to be established by the City engineer. If the Developer does not complete the 250 linear feet of curb and gutter on the eastern border of Mill Street within six (6) months of a commencement date to be established by the City engineer, the Developer shall incur liquidated damages of \$500 per day.
4. Cotton Mill Drive shall remain privately owned and privately maintained. Cotton Mill Drive may later be dedicated to the City and accepted by the City in the sole discretion of the City.

The Board voted as follows to approve the motion:

Alderman Ben Carver	Voted: Yea
Alderman Lisa Wynn	Voted: Yea
Alderman David Little	Voted: Yea
Alderman Jason Walker	Voted: Yea
Alderman Scott Maynard	Voted: Nay
Alderman Roy A'. Perkins	Voted: Nay

ACCESS EASEMENT AGREEMENT

THIS ACCESS EASEMENT AGREEMENT (“Agreement”) is made effective as of this _____ day of _____, 2016, between

Cotton Mill Marketplace Starkville, LLC,
A Mississippi Limited Liability Company, (“Grantor”),
368 Highland Colony Parkway
Ridgeland, MS 39157
(601) 362-8000

and

The City of Starkville, Mississippi (the “City” or “Grantee”),
a political subdivision of the State of Mississippi
having an office at
110 West Main Street
Starkville, Mississippi 39759
(662) 324-4012

Grantor and Grantee are sometimes hereinafter referred to individually as a “Party” and collectively as the “Parties.”

Preliminary Statement

Grantor is the owner in fee of certain real property located in Oktibbeha County, Mississippi consisting of approximately .46 acres more particularly described in Exhibit “A” attached hereto and incorporated herein (the “Subject Property”).

The Subject Property is depicted in the plat attached hereto as Exhibit “B”. Grantor intends herein to grant to Grantee certain easements for pedestrian and vehicular ingress and egress over the common curb cuts, driveways, aisles, walkways, and sidewalks now or hereafter located on the Subject Property for access and for delivery, together with the utility easements described herein. The Grantor and Grantee also intend herein to provide for certain obligations and restrictions with respect to the operation and maintenance of the Subject Property and improvements constructed thereon. Such easements, obligations and restrictions shall run to the benefit of, and bind, the Subject Property and the owners from time to time of the Subject Property or any portion thereof.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the parties hereby grant, covenant and agree as follows:

1. Easements and Ways. Grantor hereby grants and conveys to Grantee, a permanent and perpetual non-exclusive easement on, over and across and rights to use the curb cuts, roadways, access areas, driveways, aisles, parking areas, walkways and sidewalks (the “Ways”) now or hereafter located on the Subject Property (including, without limitation, such Ways set forth on the plat attached hereto as Exhibit “B”), for purposes of public ingress, egress, passage and delivery, by vehicles and pedestrians.
2. Benefit and Use. The easements and other rights granted hereby shall be dedicated as a

permanent, perpetual easement for the public, for pedestrian and vehicular use.

3. Construction.

Grantor, at its sole expense, shall construct, pave, stripe and place all improvements and markings on the surface of the Subject Property as necessary so as to provide for the orderly traffic control and ingress and egress of automobiles and pedestrians and shall place adequate exit and entrance and other traffic control signs to direct traffic in and out of said areas, all as set forth in Exhibit "B".

4. Maintenance and Repair.

Grantor, at its sole expense, shall have the sole responsibility for the maintenance and repair of the Subject Property and the Ways located thereon, including, without limitation, the obligation to repave, re-stripe and replace improvements and markings on the surface of the Subject Property from time to time as and when necessary so as to provide for the orderly traffic control and ingress and egress of automobiles and pedestrians, and place and maintain adequate exit and entrance and other traffic control signs to direct traffic in and out of said areas. Grantor, at its sole expense, will maintain the Subject Property and the Ways located thereon in a neat, clean, orderly and operable condition.

5. Injunctive Relief and Other Remedies. In the event of a breach by either Party of any obligation of this Agreement the other Party may be entitled to obtain an order specifically enforcing the performance of such obligation or an injunction prohibiting any such breach. The Parties hereby acknowledge that legal remedies may be inadequate and that irreparable harm may be caused by any such breach. Any action taken or document executed in violation of this Agreement shall be void and may be set aside upon the petition of any other Party.

6. Non-waiver. No delay or omission of either Party in the exercise of any right accruing upon any default of any other Party shall impair such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by either Party of a breach of, or a default in, any of the terms and conditions of this Agreement by the other Party shall not be construed to be a waiver of any subsequent breach of, or default in the same or any other provision of this Agreement. Except as otherwise specifically provided in this Agreement, (i) no remedy provided in this Agreement shall be exclusive but each shall be cumulative with all other remedies provided in this Agreement and (ii) all remedies at law or in equity shall be available.

7. Non-terminable Agreement. No breach of the provisions of this Agreement shall entitle either Grantor, Grantee or any other party to cancel, rescind or otherwise terminate this Agreement, but such limitation shall not affect, in any manner, any other rights or remedies which any party may have hereunder by reason of any breach of the provisions of this Agreement. No breach of the provisions of this Agreement shall defeat or render invalid the lien of any mortgage or deed of trust made in good faith for value covering any part of the Subject Property or any improvements thereon.

8. Force Majeure. In the event either Party shall be delayed or hindered in or prevented from the performance of any act required to be performed by such Party by reason of Acts of God, strikes, lockouts, unavailability of materials, failure of power, prohibitive governmental laws or regulations, riots, insurrections, war, the act or failure to act of the other Party or adverse weather conditions preventing the performance of work as certified to by an architect then the time for performance of such act shall be extended for a period equivalent to the period of such delay.
9. Binding Effect. Every agreement, covenant, promise, undertaking, condition, easement, right, privilege, option and restriction made, granted or assumed, as the case may be, by either party to this Agreement is made by such party for the benefit of the other Party and its successors and assigns. Without limiting the generality of the foregoing, the access, Ways and easements granted herein shall run with the land and shall be binding on and shall inure to the benefit of the Parties to this Agreement and their respective successors and assigns.
10. Invalidity. If any provision of this Agreement, or portion thereof, or the application thereof to any person or circumstances shall to any extent be held invalid, inoperative or unenforceable, the remainder of this Agreement, or the application of such provision or portion thereof to any other persons or circumstances shall not be affected thereby; it shall not be deemed that any such invalid provision affects the consideration for this Agreement; and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.
11. Governing Law. This Agreement shall be construed, interpreted and governed in accordance with the laws of the State of Mississippi, without regard to its conflicts of law principles. The Parties submit to the exclusive jurisdiction of the courts of Mississippi having subject matter jurisdiction of the matters set out in this Agreement.
12. Headings. The Article headings in this Agreement are for convenience only, shall in no way define or limit the scope or content of this Agreement, and shall not be considered in any construction or interpretation of this Agreement or any part hereof.
13. Relationship of Parties. Nothing in this Agreement shall be construed to make the Parties partners or joint ventures or render the parties liable for the debts or obligations of the other.
14. Subordination. Each Party shall make commercially reasonable efforts to ensure that the easements, ways, and rights granted the parties hereunder shall be superior to any mortgage, deed of trust, or similar lien now or hereafter affecting the Subject Property.
15. Construction of Agreement. The Parties represent and agree that they have been represented by competent personnel and counsel in the negotiation and preparation of this Agreement and the rule of construction that any ambiguities herein are to be resolved against the drafting party shall not be employed in the interpretation or construction of this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed by Grantor and Grantee on the date(s) in the respective acknowledgements of Grantor's and Grantee's signatures below and is to be effective as of the date first stated above.

MEMORANDUM OF UNDERSTANDING

WHEREAS this Agreement is made by and between the Mississippi Transportation Commission (hereinafter "MTC"), acting by and through the duly authorized Executive Director of the Mississippi Department of Transportation (hereinafter "MDOT"), and the City of Starkville, Mississippi (hereinafter the "City"), effective as of the last date of execution shown below; and

WHEREAS, MDOT is developing plans for the installation of a concrete median and signal improvements on MS Hwy 12 from near MS Hwy 25 to near Blackjack Road in Oktibbeha County under Project Number STP-0018-03(021)/106863 (hereinafter the "Project"); and

WHEREAS, some of the improvements lie within the public Right of Way of City Streets; and

WHEREAS, the City desires to install and maintain future aesthetic improvements, including landscaping, within the available limits of the installed median; and

WHEREAS, the City has requested, and the MTC has agreed, that the City be allowed to make and maintain these future aesthetic improvements within the guidelines of MDOT policies.

NOW THEREFORE, for and in consideration of the premises and agreements contained herein, and the benefits accruing to each, MTC and the City mutually agree and covenant as follows:

ARTICLE I. DUTIES AND RESPONSIBILITIES

A. The duties and responsibilities of the City are as follows:

1. The City hereby grants unto the COMMISSION, without cost to the Commission, an easement on, over and across all City street rights of way within the construction limits as shown on the plans for the "Project" for the purpose of constructing aforesaid project.
2. The City shall upon completion of the "Project" and the designated alterations and changes on all City streets, resume responsibility of maintenance of said City Right of Way upon notice from the COMMISSION.
3. The City shall develop a plan for aesthetic improvements within the constructed median according to MDOT policies and submit this plan to MDOT for approval through normal permitting procedures.
4. The City shall bear all costs for the installation and maintenance of these aesthetic improvements.
5. During the course of the Project, the City shall provide to the contractor for the Project and MDOT staff, the direct contact information of the City's representative that is authorized to provide input and guidance on behalf of the City for placement of conduits from the median to outside the shoulder, which will allow future irrigation to be installed by the City.
6. Due to the nature of the Project and the historical placement of underground utilities along the limits of the Project, the City shall provide to the contractor for the Project and MDOT staff, the direct contact information of the City's representative that is authorized to provide input and guidance on behalf of the City of the maintained utilities. Said representative must be available for response 24 hours a day.

B. The duties and responsibilities of MTC are as follows:

1. The MTC shall, construct by contract said improvement to MS Highway 12 in reasonable accordance with the plans and specifications for Project Number STP-0018-03(021)/106863.
2. The MTC shall, as part of the Project, provide median areas within the limits of the Project prepared for future landscaping, including backfilling with topsoil and covering with hardwood mulch.
3. The MTC shall review plans developed by the City for aesthetic improvements for compliance with current policies and, upon approval, shall issue permits to the City for installation and maintenance of these improvements.
4. The MTC shall, as part of the Project, install a conduit from the prepared median areas within the limits of the Project prepared for future landscaping, including backfilling with topsoil and covering with hardwood mulch.

5. The MTC shall, maintain the City Right of way within the construction limits of the Project during the duration of the Project.

ARTICLE II. GENERAL PROVISIONS

A. MTC and the City further agree to the following:

- 1. Both parties agree that this document constitutes the entire agreement between the parties and that there are no other agreements, oral or written, between the parties that affect this subject matter.
- 2. That MTC executes its orders and directives through MDOT. All notices and correspondence with the MTC shall be directed to the designated agent shown below. Similarly, the City executes all of its orders and directives through the Office of the Mayor of the City of Starkville. All notices and correspondence with the City shall be directed to the agent shown below. All notices and correspondence shall be considered delivered upon receipt at the locations or telephone numbers listed below. All modifications to this Agreement must be submitted in writing through the designated agents and signed by the parties before they can take effect. Oral agreements cannot serve to modify this Agreement.

Municipal Compliance Questionnaire

As part of the municipality's audit, the governing authorities of the municipality must make certain assertions with regard to legal compliance. The municipal compliance questionnaire was developed for this purpose.

The following questionnaire and related certification must be completed at the end of the municipality's fiscal year and entered into the official minutes of the governing authorities at their next regular meeting.

The governing authorities should take care to answer these questions accurately. Incorrect answers could reduce the auditor's reliance on the questionnaire responses, resulting in the need to perform additional audit procedures at added cost.

Information

Note: Due to the size of some municipalities, some of the questions may not be applicable. If so, mark N/A in answer blanks. Answers to other questions may require more than "yes" or "no," and, as a result, more information on this questionnaire may be required and/or separate work papers may be needed.

1. Name and address of municipality:

City of Starkville
110 West Main St, Starkville, MS 39759

2. List the date and population of the latest official U.S. Census or most recent official census:

2010 - 23888

3. Names, addresses and telephone numbers of officials (include elected officials, chief administrative officer, and attorney).

See Attached (Appendix A)

4. Period of time covered by this questionnaire:

From: October 1, 2015 To: September 30, 2016

5. Expiration date of current elected officials' term: June 30, 2017

SPONSORSHIP REQUEST

The City of Starkville shall consider Event sponsorship opportunities on a case-by-case basis. To be considered for such funds, Promoter shall submit the completed Sponsorship application at the time the Event application is submitted to the Building Department. The Committee shall review the request and make a recommendation to the Board of Aldermen for its approval within 30 days after the application is received. All sponsorship applications must be submitted to the Board of Aldermen for approval. In making its recommendation, the Committee shall consider whether the event will promote the City of Starkville in a positive light, and whether the event is likely to attract tourists and have a positive economic impact on the City. The Board of Aldermen will authorize any requested sponsorships whether as in-kind services and/or financial requests by the promoter from the City. Sponsorship approval by the Board of Aldermen commits the promoter / applicant to provide sponsorship credit to the City of Starkville in all promotional materials to the level of the value of the in-kind services and any financial aid.

APPLICATION PROCEDURES

All Special Events held in the City of Starkville are required to be conducted and held pursuant to a Special Event Permit issued through the Building Department. The following guidelines apply to any Special Events seeking financial in-kind services from the City of Starkville.

1. A Promoter desiring to apply for a Permit shall contact the Building department to provide requested dates for the desired Special Event. Subject to the terms of these guidelines, an event returning to the City for a successive year may be given priority consideration for the same time period in which it was held in the previous year(s).
2. A Special Event Application form must be completed and submitted to the Building Department/Special Event Committee no less than 120 days prior to the proposed event; however, the Promoter is encouraged to submit the application at least 180 days prior to the proposed event to allow for ample planning time. The Special Event Committee may waive the 120-day requirement if the application is complete and can be processed in a shorter time period, taking into consideration the nature and scope of the proposed event and the number and types of permits required to be issued in conjunction with the Permit. For the expedited process, the City assumes that the Promoter/Applicant has met the majority of requirements in the application to the best of their ability and knowledge. The Special Event Committee will meet within 10 (ten) working days of the submission of the application for the special event.
The application shall contain the following information (all such information is public information subject to the Public Information Act and other applicable laws):
 - a) Application Information – Applicant Name, Organization Name, Type of Organization (including a representation that the Applicant and organization are in good standing under the laws of the State of Mississippi and the United States), Address, City, State, Zip Code, E-Mail Address, Web Site Address, Telephone Number, Facsimile Number, Mobile Phone Number, Pager Number, On-site Contact and Mobile Phone Number of On-Site Contact.

SUGGESTED MOTION: Motion to approval a Resolution of the Mayor and Board of Aldermen of the City of Starkville, Mississippi approving the adoption and implementation of the Tax Increment Financing Plan, Starkville Neighborhood Market Project, City Of Starkville, Mississippi, and authorizing the issuance of Tax Increment Financing Revenue Bonds in an amount not to exceed one million three hundred fifty thousand dollars (\$1,350,000); and for related purposes.

RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF STARKVILLE, MISSISSIPPI APPROVING THE ADOPTION AND IMPLEMENTATION OF THE TAX INCREMENT FINANCING PLAN, STARKVILLE NEIGHBORHOOD MARKET PROJECT, CITY OF STARKVILLE, MISSISSIPPI, SEPTEMBER 2016 AND AUTHORIZING THE ISSUANCE OF TAX INCREMENT FINANCING REVENUE BONDS IN AN AMOUNT NOT TO EXCEED ONE MILLION THREE HUNDRED FIFTY THOUSAND DOLLARS (\$1,350,000); AND FOR RELATED PURPOSES.

WHEREAS, the Mayor and Board of Aldermen of the City of Starkville, Mississippi, (the “Board” of the “City”), acting for and on behalf of the City, hereby find, determine and adjudicate as follows:

1. The Board has received and has conducted hearings on the *Tax Increment Financing Redevelopment Plan, City of Starkville, Mississippi, February 2006* (the “Redevelopment Plan”) for the Municipality, and has approved the Redevelopment Plan on April 4, 2006. The Redevelopment Plan constitutes a qualified plan under the Act.

2. Under the power and authority granted by the laws of the State of Mississippi, and particularly under Chapter 45, Title 21, Mississippi Code of 1972, as amended (the “Act”), the Board did, on September 6, 2016, adopt a certain Order calling for a public hearing on the proposed tax increment financing plan.

3. As directed by the aforesaid Order and as required by law, a Notice of Public Hearing with respect to the *Tax Increment Financing Plan, Starkville Neighborhood Market Project, City of Starkville, Mississippi, September 2016* (the “TIF Plan”), was published one (1) time in the *Starkville Daily News*, a newspaper having a general circulation within the City, and was so published in said newspaper on September 10, 2016, as evidenced by the publisher's proof of publication of the same heretofore presented to the Board and filed with the Clerk, a copy of which is attached hereto as **Exhibit A**.

4. The notice of public hearing generally described the TIF Plan, stated that the TIF Plan was available for inspection in the City Clerk's office, and further called for a public hearing to be held at the regular meeting room of the Board at the City Hall of the City of Starkville, Mississippi at 5:30 o'clock p.m., on September 20, 2016, in order for the general public to state or present their views on the TIF Plan.

5. At 5:30 o'clock p.m. on September 20, 2016, the public hearing was held and all in attendance were given an opportunity to state or present their oral and written comments on the TIF Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

The Board of the City is now fully authorized and empowered under the provisions of Chapter 45 of Title 21, Mississippi Code of 1972, as amended, to adopt and implement the TIF Plan (a copy of which is attached hereto as **Exhibit B**), and does hereby adopt and approve such TIF Plan as presented in order to assist with the Starkville Neighborhood Market Project (the “Project”) by issuing tax increment financing bonds or notes (the “TIF Bonds”) in an amount not

to exceed One Million Three Hundred Fifty Thousand Dollars (\$1,350,000), which funds will be used for the purpose of providing a financing mechanism to pay for the cost of constructing various Infrastructure Improvements as set forth in the TIF Plan. The TIF Plan has attached as exhibits the map and legal description of the land to be included in the proposed TIF District. The TIF District should be established by the Board as described in the TIF Plan, and the Redevelopment Plan should have the TIF Plan attached or included by reference therein after a public hearing on the matter.

In accordance with the Act, school taxes shall not be used to service tax increment financing debt obligations.

The Board does hereby approve and adopt the TIF Plan, which shall constitute an amendment to and a portion of the Redevelopment Plan previously adopted by the Board, and the City Clerk is hereby directed to attach the TIF Plan to or file it with the Redevelopment Plan and to retain same in the office of the City Clerk. However, the failure to attach it to or file it with the Redevelopment Plan shall not affect the validity of the TIF Plan.

The Project is in the best interest of the City and its future development and that it is in the best interest of the City and its citizens that the provision of Section 21-45-9 of the TIF Act requiring dedication of the “redevelopment project” to the City not apply to those Infrastructure Improvements which are constructed on the privately owned portion of the Project.

The City is now authorized to issue the TIF Bonds pursuant to the Act and offer said TIF Bonds for sale in accordance with the further orders and directions of this Board.

Alderman _____ moved and Alderman _____ seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Alderman Ben Carver	voted: _____
Alderman David Little	voted: _____
Alderman Scott Maynard	voted: _____
Alderman Roy A’ Perkins	voted: _____
Alderman Jason Walker	voted: _____
Alderman Lisa Wynn	voted: _____
Alderman Henry Vaughn, Sr.	voted: _____

The motion having received the affirmative vote of a majority of the members present, the Mayor declared the motion carried and the resolution adopted this, the 20th day of September, 2016.

**TAX INCREMENT FINANCING PLAN
STARKVILLE NEIGHBORHOOD MARKET
CITY OF STARKVILLE, MISSISSIPPI
SEPTEMBER 2016**

ARTICLE I

A. PREAMBLE

1. The administration and implementation of this Tax Increment Financing Plan, Starkville Neighborhood Market, City of Starkville, Mississippi, September 2016 (the "TIF Plan") will be an undertaking of the City of Starkville (the "City"), is authorized pursuant to Section 21-45-1 *et seq.*, Mississippi Code of 1972, as amended (the "TIF Act"), and may be administered and implemented as a joint undertaking of the City of Starkville, Mississippi, (the "City") and Oktibbeha County, Mississippi, (the "County").
2. Wal-Mart Stores East, LP (or its assigns, collectively referred to as the "Developer") proposes to develop an approximately 43,000 square foot Neighborhood Market and fuel center strategically located off Highway 12 and Market Road (the "Project"). The Project will represent a private investment in excess of \$14,000,000. In its entirety, the Project is expected to encompass approximately 7.58 acres, more or less, consisting of real property more particularly described in Article VII of this TIF Plan and the map attached hereto as "Exhibit A" (the "Map"). For purposes of clarity, the land described in the Map and Article VII of this Plan will be referred to as the "TIF District".
3. The City and County may enter into an interlocal cooperation agreement which will designate the City as the primary party in interest in carrying the Project forward. The issuance of bonds to provide funds to finance the costs of infrastructure improvements identified in the TIF Plan may be a joint undertaking of the City and County whereby the City may issue Tax Increment Financing Bonds as authorized herein to finance the Project as more fully described herein (the "TIF Bonds"). The TIF Bonds authorized by this TIF Plan shall not exceed One Million Three Hundred Fifty Thousand (\$1,350,000).
4. The Governing Body does hereby find and determine that the Project is in the best interest of the City and its future development and that it is in the best interest of the City and its citizens that the provision of Section 21-45-9 of the Act requiring dedication of the "redevelopment project" to the City not apply to those Improvements which are constructed on the privately owned portion of the Project.

5. The tax increment financing funds as identified herein will be used to defray the cost of infrastructure improvements to serve the Project and the community as a whole.
6. The Developer has provided information to the City regarding the proposed site plan, the amount of the private investment, sales tax, and job creation projections. Estimates of ad valorem taxes were made through consultation with the office of the Oktibbeha County Tax Assessor and valuations of similar projects.

B. STATEMENT OF INTENT

1. The City may issue TIF Bonds pursuant to the authority outlined hereinabove in an amount not to exceed One Million Three Hundred Fifty Thousand Dollars (\$1,350,000), which will be secured solely by a pledge of the increased ad valorem taxes from real and personal property and sales tax rebates generated within the TIF District, which funds will be used to pay the cost of constructing various infrastructure improvements which may include but are not limited to, acquiring and constructing on-site and off-site improvements, which may include, but not necessarily be limited to, installation, rehabilitation and/or relocation of utilities such as water, sanitary sewer, construction, renovation, or rehabilitation of drainage improvements, roadways, curbs, gutters, sidewalks, surface parking, relocation of electrical lines, lighting, signalization, landscaping of rights-of way, related architectural/engineering fees, attorney's fees, TIF Plan preparation fees, issuance costs, capitalized interest, and other related soft costs (collectively, the "Infrastructure Improvements").
2. After sufficient development of the Project has been substantially completed the City will issue the TIF Bonds and reimburse the Developer in accordance with a development agreement to be entered into between the parties as authorized by the TIF Act (the "Development Agreement").
3. The construction of the Infrastructure Improvements will be undertaken to provide for the public convenience, health, and welfare.

C. PUBLIC CONVENIENCE AND NECESSITY

1. The public convenience and necessity requires participation by the City and County in the Project. The Project will accomplish the following, which will provide for the public convenience and necessity and serve the best interests of the citizens of the City and County.
 - a. Construction of the Project will represent a private investment of approximately \$14,000,000.

- b. It is estimated the Project will create approximately 150 construction jobs, and 95 associates (management, part time and full time jobs) with an estimated annual payroll of over \$2,000,000.
- c. It is expected that the Project will result in an annual real and personal property tax *increase* of about \$21,164.44 for the City.
- d. It is expected that the Project will result in an annual real and personal property tax *increase* of about \$48,664.03 for the County.
- e. It is anticipated that the Project will yield an annual real and personal property tax *increase* of about \$64,100.05 for the School District.
- f. The annual sales generated by the retail development are expected to be in excess of \$20,000,000.
- g. The Project is expected to result in annual sales tax rebates to the City of about \$259,000.
- h. The development of the Project will include a new grocery store in an underserved area of the City.
- i. The Project will result in the construction of Market Street, which will lay the groundwork for further development of the surrounding property.
- j. The Project will provide improvements to Highway 12 as well as signalization at the intersection of Highway 12 and Market Street.
- k. The Project will add water and sewer infrastructure necessary for the development of the TIF District.

**ARTICLE II
PROJECT INFORMATION**

A. REDEVELOPMENT PROJECT DESCRIPTION

1. The Project is expected to encompass approximately 7.58 acres, more or less, and consist of an approximately 43,000 square foot Neighborhood Market and fuel center.

2. Project Location
 - a. Property Description and Map: The Project is located on approximately 7.58 acres, more or less, as more particularly described in Article VII and Exhibit A attached hereto.

 - b. Environmental Characteristics and Zoning: Development of the Project site will require improvements such as (but not limited to) installation and/or relocation of utilities such as acquiring and constructing improvements, which may include, but not necessarily be limited to, installation, rehabilitation and/or relocation of utilities such as water, sanitary sewer, construction, renovation, or rehabilitation of drainage improvements, roadways, curbs, gutters, sidewalks, surface parking, relocation of electrical lines, lighting, signalization, landscaping of rights-of way, related architectural/engineering fees, attorney's fees, TIF Plan preparation fees, issuance costs, capitalized interest, and other related soft costs. All proposed uses shall comply with the applicable zoning ordinances of the City. The property is currently zoned as C-2 General Commercial.

B. DEVELOPER INFORMATION

1. Developer's Name: Wal-Mart Stores East, LP

2. Developer's Address: 2001 S.E. 10th Street
Bentonville, AR 72716-0550
Attn: Joe Allbright

**ARTICLE III
ECONOMIC DEVELOPMENT IMPACT DESCRIPTION**

A. JOB CREATION

It is estimated the Project will create approximately 150 construction jobs, and 95 associates (management, part time and full time jobs) with an estimated annual payroll of over \$2,000,000.

B. FINANCIAL BENEFIT TO THE COMMUNITY

1. Ad Valorem Tax Increases: The construction and development of the Project will generate significant ad valorem tax revenues for the City, the County, and the School District. The following are estimates of new ad valorem tax revenues expected to be generated after the entire Project has been completed. The estimates for real property taxes are based on assumed new combined true value of \$6,421,120 for the development and personal property taxes.

ENTITY	MILLAGE RATE	CURRENT TAXES ¹	AFTER PROJECT ²	INCREMENT ³
<i>City of Starkville Real Property & Personal Property</i>	21.98	\$5.99	\$21,170.43	\$21,164.44
<i>Oktibbeha County Real Property & Personal Property</i>	50.54	\$14.48	\$48,678.51	\$48,664.03
<i>School District Real Property Taxes</i>	66.57	\$18.04	\$64,118.09	\$64,100.05
TOTAL	139.09	\$38.51	\$133,967.04	\$133,928.53

2. Retail Sales: It is estimated that the Project will generate approximately \$20,000,000 in sales annually which will create annual sales tax rebates of \$259,000. These sales tax rebates will be pledged by the City to service the debt on the TIF Bonds in addition to the incremental increase in the real and personal property ad valorem taxes discussed above.

¹ The TIF District is currently taxed as part of a 41.37-acre parcel; accordingly, the Current Taxes represent a pro rata portion of the current taxes.

² Assumes constant values and millage rates.

³ All of these taxes (together with the Retail Sales rebates discussed below and EXCLUDING the School Taxes) will be pledged to service the debt on the TIF Bonds. School taxes are not eligible for Tax Increment Financing and are provided for informational purposes only. The debt service incurred for the TIF Bonds shall be provided from the added increments of 100% of the City's ad valorem real and personal property tax revenues and 50% of the sales tax revenues PLUS 50% of the incremental increase in the County's ad valorem real and personal property tax revenues for a concurrent and combined period of fifteen (15) years.

ARTICLE IV
THE OBJECTIVE OF THE TAX INCREMENT FINANCING PLAN

A. PUBLIC CONVENIENCE AND NECESSITY

The primary objective of this TIF Plan is to serve the public convenience and necessity by participating in the Project. The TIF Plan will provide financing to construct the Infrastructure Improvements to serve the general public and the 7.78-acre development as described in detail in the preamble to this TIF Plan.

B. LOCAL CODES AND ORDINANCES

The Project and the Infrastructure Improvements will be constructed in accordance with standards, codes, and ordinances of the City.

C. HEALTH AND WELFARE OF THE PUBLIC PROVIDED FOR

The Infrastructure Improvements will provide for the health and welfare of the public by providing for safe and adequate infrastructure improvements which may include but are not limited to, the cost of constructing various infrastructure improvements which may include but are not limited to, acquiring and constructing improvements, which may include, but not necessarily be limited to, installation, rehabilitation and/or relocation of utilities such as water, sanitary sewer, construction, renovation, or rehabilitation of drainage improvements, roadways, curbs, gutters, sidewalks, surface parking, relocation of electrical lines, lighting, signalization, landscaping of rights-of way, related architectural/engineering fees, attorney's fees, TIF Plan preparation fees, issuance costs, capitalized interest, and other related soft costs.

ARTICLE V

A STATEMENT INDICATING THE NEED AND PROPOSED USE OF THE TAX INCREMENT FINANCING PLAN IN RELATIONSHIP TO THE REDEVELOPMENT PLAN

The proposed use of the TIF Plan is to provide a financing mechanism for the construction of Infrastructure Improvements necessary to serve the public that will utilize the induced development.

ARTICLE VI

A STATEMENT CONTAINING THE COST ESTIMATE OF THE REDEVELOPMENT PROJECT, PROJECTED SOURCES OF REVENUE TO MEET THE COSTS, AND TOTAL AMOUNT OF INDEBTEDNESS TO BE INCURRED

A. COST ESTIMATE OF REDEVELOPMENT PROJECT

1. The development of the TIF District will represent a private investment of approximately \$14,000,000. The proceeds of the TIF Bonds will be used to pay the cost of constructing various Infrastructure Improvements, more particularly described in Article I, Section B.
2. The Governing Body does hereby find and determine that the Project is in the best interest of the City and its future development and that it is in the best interest of the City and its citizens that the provision of Section 21-45-9 of the Act requiring dedication of the "redevelopment project" to the City not apply to those Improvements which are constructed on the privately owned portion of the Project.
3. The construction of the Infrastructure Improvements will be undertaken to provide for the public convenience, health, and welfare.
4. Proceeds of the TIF Bonds may also be used to fund capitalized interest and/or a debt service reserve fund as may be permitted under Section 21-45-1, *et seq.*, Mississippi Code of 1972, annotated.

B. PROJECTED SOURCES OF REVENUE TO MEET COSTS

1. The Developer will secure financing to construct the Project including the work to be funded with TIF Bonds.
2. The City will pledge all of the increased ad valorem taxes generated from the real and personal property in the TIF District and the increased sales tax rebates within the TIF District to secure the TIF Bonds.
3. The County will pledge all the increased ad valorem taxes on real and personal property in the TIF district to secure the TIF Bonds.
4. The total amount of indebtedness under this TIF Plan will not exceed One Million Three Hundred Fifty Thousand (\$1,350,000) and the debt service incurred for the TIF Bonds shall be provided from the added increments of 100% of the City's ad valorem real and personal property tax revenues and 50% of the sales tax revenues PLUS 50% of the incremental increase in the County's ad valorem real and personal property tax revenues for a concurrent and combined period of fifteen (15) years.

C. TOTAL AMOUNT OF INDEBTEDNESS TO BE INCURRED

1. The City will issue up to One Million Three Hundred Fifty Thousand Dollars (\$1,350,000) in TIF Bonds which shall be secured by the City with the pledge of all of the incremental increases in ad valorem real and personal property taxes and all of the sales tax rebates and all of the County's incremental increases in ad valorem real and personal property taxes from within the TIF District. The total amount of indebtedness under this TIF Plan will not exceed One Million Three Hundred Fifty Thousand Dollars (\$1,350,000) and the debt service incurred for the TIF Bonds shall be provided from the added increments of 100% of the City's ad valorem real and personal property tax revenues and 50% of the sales tax revenues PLUS 50% of the incremental increase in the County's ad valorem real and personal property tax revenues for a concurrent and combined period of fifteen (15) years.
2. The Tax Increment Financing Redevelopment Plan, Starkville, Mississippi February 2006 and this **Tax Increment Financing Plan, Starkville Neighborhood Market, City of Starkville, Mississippi, September 2016** may be a joint undertaking by the City and the County including, but not necessarily limited to, the issuance of the TIF Bonds, which may include bonds, notes, or other debt obligations to provide funds to defray the cost of the Infrastructure Improvements.
3. It is expected that Bonds or Notes can be obtained at an annual interest rate of 5.5% for up to fifteen (15) year tax increment debt obligations. Annual principal and interest payments are estimated to be up to approximately **\$145,830** assuming the 5.5% rate and tax increment obligations over a period of up to fifteen (15) years.
4. The increase in ad valorem real and personal property and sales tax revenues to be generated for the City are estimated to be **\$280,164.44**. The increase in ad valorem real and personal property revenues to be generated for the County are **\$48,664.03**.
5. The surplus for the City is estimated to be **\$129,500** annually and is to be deposited into the general fund of the City to be used for any lawful purpose. The surplus for the County is estimated to be **\$24,332** annually and is to be deposited into the general fund of the County to be used for any lawful purpose.
6. The amount and timing of the issuance of the TIF Bonds shall be determined pursuant to further proceedings of the City.

**ARTICLE VII
REAL PROPERTY TO BE INCLUDED IN TAX INCREMENT FINANCING DISTRICT**

A. PARCEL NUMBER FOR THE TIF DISTRICT

The real property to be included in the TIF District from which the ad valorem real and personal property tax revenues and sales tax rebates will be generated to finance the TIF Bonds contains approximately 7.58 acres, more or less, and is described below and in the Map.

PARCEL	TRUE	ASSESSED	COUNTY	CITY	SCHOOL
117F-00-008.00	\$1,713.81	\$257.07	\$14.48	\$5.99	\$18.04

The above True and Assessed Values were obtained from the Oktibbeha County Tax Assessor's office and a copy of the information is attached hereto as Exhibit B.

ARTICLE VIII
DURATION OF THE TAX INCREMENT FINANCING PLAN'S EXISTENCE

The duration of this TIF Plan shall be until the TIF Bonds issued pursuant to this plan are retired.

ARTICLE IX
ESTIMATED IMPACT OF TAX INCREMENT FINANCING PLAN UPON THE REVENUES OF ALL TAXING JURISDICTIONS IN WHICH A REDEVELOPMENT PROJECT IS LOCATED

A. AD VALOREM TAX INCREASES

The construction and development of the Project will generate significant ad valorem tax revenues for the City, the County, and the School District. The following are estimates of new ad valorem tax revenues expected to be generated after the entire Project has been completed. The estimates for real property taxes are based on assumed new combined true value of \$6,421,120 for the development and personal property taxes.

ENTITY	MILLAGE RATE	CURRENT TAXES ⁴	AFTER PROJECT ⁵	INCREMENT ⁶
<i>City of Starkville Real Property & Personal Property</i>	21.98	\$5.99	\$21,170.43	\$21,164.44
<i>Oktibbeha County Real Property & Personal Property</i>	50.54	\$14.48	\$48,678.51	\$48,664.03
<i>School District Real Property Taxes</i>	66.57	\$18.04	\$64,118.09	\$64,100.05
TOTAL	139.09	\$38.51	\$133,967.04	\$133,928.53

B. RETAIL SALES

It is estimated that the Project will generate approximately \$20,000,000 in sales annually which will create annual sales tax rebates of \$259,000. These sales tax rebates will be pledged by the City to service the debt on the TIF Bonds in addition to the incremental increase in the real and personal property ad valorem taxes discussed above.

⁴ The TIF District is currently taxed as part of a 41.37-acre parcel; accordingly, the Current Taxes represent a pro rata portion of the current taxes.

⁵ Assumes constant values and millage rates.

⁶ All of these taxes (together with the Retail Sales rebates discussed below and EXCLUDING the School Taxes) will be pledged to service the debt on the TIF Bonds. School taxes are not eligible for Tax Increment Financing and are provided for informational purposes only. The debt service incurred for the TIF Bonds shall be provided from the added increments of 100% of the City's ad valorem real and personal property tax revenues and 50% of the sales tax revenues PLUS 50% of the incremental increase in the County's ad valorem real and personal property tax revenues for a concurrent and combined period of fifteen (15) years.

ARTICLE X
A STATEMENT REQUIRING THAT A SEPARATE FUND BE ESTABLISHED TO RECEIVE AD VALOREM TAXES AND THE PROCEEDS OF ANY OTHER FINANCIAL ASSISTANCE

A separate fund entitled the "Tax Increment Fund: Starkville Neighborhood Market" shall be established by the City to receive ad valorem taxes and sales tax rebates in connection with this TIF Plan.

ARTICLE XI

THE GOVERNING BODY OF THE CITY SHALL BY RESOLUTION FROM TIME TO TIME, DETERMINE (i) THE DIVISION OF AD VALOREM TAX RECEIPTS, IF ANY, THAT MAY BE USED TO PAY FOR THE COST OF ALL OR ANY PART OF A REDEVELOPMENT PROJECT; (ii) THE DURATION OF TIME IN WHICH SUCH TAXES MAY BE USED FOR SUCH PURPOSES; (iii) IF THE GOVERNING BODY SHALL ISSUE BONDS FOR SUCH REDEVELOPMENT PROJECT; AND (iv) SUCH OTHER RESTRICTIONS, RULES AND REGULATIONS AS IN THE SOLE DISCRETION OF THE GOVERNING BODY OF THE CITY SHALL BE NECESSARY IN ORDER TO PROMOTE AND PROTECT THE PUBLIC INTEREST.

Through the adoption of the TIF Plan, Starkville Neighborhood Market, City of Starkville, Mississippi, September 2016, the Governing Body of the City acknowledges the above and shall adopt the necessary resolutions when deemed necessary and appropriate.

**ARTICLE XII
PLAN OF FINANCING**

A. SECURITY FOR THE TIF BONDS

The TIF Plan provides for the City to issue the TIF Bonds which will be secured by the pledge of incremental increases in ad valorem real and personal property taxes and sales taxes generated by the Project. The City will pledge all of the ad valorem tax increases and all of the sales tax rebates to the City. The County will pledge all of its tax increases in ad valorem real and personal property taxes. The total amount of indebtedness under this TIF Plan will not exceed One Million Three Hundred Fifty Thousand (\$1,350,000) and the debt service incurred for the TIF Bonds shall be provided from the added increments of 100% of the City's ad valorem real and personal property tax revenues and 50% of the sales tax revenues PLUS 50% of the incremental increase in the County's ad valorem real and personal property tax revenues for a concurrent and combined period of fifteen (15) years.

B. FURTHER PROCEEDINGS OF THE CITY

Such decision on the most advantageous method for the City to incur the debt will be made pursuant to further proceedings of the City.

C. AMOUNT AND TIMING OF ISSUANCE

The amount and timing of the issuance of the TIF Bonds shall be determined pursuant to further proceedings of the City.

RECOMMENDATION FOR BOARD ACTION**

AGENDA ITEM DEPT.: Board of Aldermen
AGENDA DATE: 11/1/2016
PAGE: 1 of 8

SUBJECT: Consideration of a Resolution of the Mayor and Board of Aldermen of the City of Starkville, Mississippi, adopting, approving and authorizing the execution of the Development and Reimbursement Agreement in connection with the Starkville Neighborhood Market Project.

AMOUNT & SOURCE OF FUNDING: N/A

AUTHORIZATION HISTORY:

**REQUESTING
DEPARTMENT:** Board of Aldermen

**DIRECTOR'S
AUTHORIZATION:** Alderwoman Lisa Wynn

FOR MORE INFORMATION, CONTACT:

Attorney Chris Latimer Chris Latimer or Christiana S. Sugg, Gouras & Associates

SUGGESTED MOTION: Resolution of the Mayor and Board of Aldermen of the City of Starkville, Mississippi, adopting, approving and authorizing the execution of the Development and Reimbursement Agreement in connection with the Starkville Neighborhood Market Project.

RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF STARKVILLE, MISSISSIPPI ADOPTING, APPROVING AND AUTHORIZING THE EXECUTION OF THE DEVELOPMENT AND REIMBURSEMENT AGREEMENT IN CONNECTION WITH THE STARKVILLE NEIGHBORHOOD MARKET PROJECT.

WHEREAS, the Mayor and Board of Aldermen of the City of Starkville, Mississippi, (the “Board” of the “City”), acting for and on behalf of the City, hereby find, determine and adjudicate as follows:

1. Pursuant to the Mississippi Tax Increment Financing Act, Title 21, Chapter 45, Mississippi Code of 1972, as amended (the “TIF Act”), the City is authorized to undertake and carry out redevelopment projects, as defined therein, utilizing tax increment financing (“TIF”).

2. The Board has received and has conducted hearings on the Tax Increment Financing Redevelopment Plan, City of Starkville, Mississippi, February 2006 (the “Redevelopment Plan”) for the City, and has approved the Redevelopment Plan on April 4, 2006. The Redevelopment Plan constitutes a qualified plan under the TIF Act, as amended from time to time (the “Redevelopment Plan”) for the City.

3. The Board has also previously adopted the *Tax Increment Financing Plan, Starkville Neighborhood Market, City of Starkville, Mississippi, September 2016* (the “TIF Plan”).

4. Under the TIF Act the Board is authorized and empowered to issue tax increment financing bonds (the “TIF Bonds”) for the purpose of helping to pay the costs of certain infrastructure improvements (the “Infrastructure Improvements”) to support and be a part of the “Project”, as described in the TIF Plan to be carried out by Wal-Mart Stores East, LP, a Delaware limited partnership, (the “Developer”) as described in the TIF Plan.

5. It is necessary and in the best interest of the City that a Development and Reimbursement Agreement (the “Agreement”) setting out the conditions and terms under which the TIF Bonds will be issued and providing for the payment thereof be approved and executed by the City and the Developer substantially in the form attached hereto as **Exhibit A**. The City is authorized to enter into such Agreement pursuant to the TIF Act.

6. The City reasonably expects that the Developer will incur expenditures for the Infrastructure Improvements prior to the issuance of the TIF Bonds, and that the City should declare its official intent to reimburse such expenditures with the proceeds of the TIF Bonds upon the issuance thereof. NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

SECTION 1. The Board hereby approves and adopts the Agreement in substantially the form attached hereto as **Exhibit A** with such amendments, corrections, additions and deletions as may be agreed upon and approved by its duly authorized officers.

SECTION 2. The Board hereby authorizes the Mayor and the City Clerk to execute and deliver the Agreement for and on behalf of the City with such changes, insertions and omissions

as may be approved by such officers, said execution and delivery being conclusive evidence of such approval.

SECTION 3. Pursuant to Section 1.150-2 of the Treasury Regulations (the "Reimbursement Regulations"), the Council hereby declares its official intent to reimburse expenditures made for the Project prior to the issuance of the TIF Bonds with proceeds of the TIF Bonds to the extent permitted by the Reimbursement Regulations.

Alderman _____ moved and Alderman _____ seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Alderman Ben Carver	voted: _____
Alderman David Little	voted: _____
Alderman Scott Maynard	voted: _____
Alderman Roy A' Perkins	voted: _____
Alderman Jason Walker	voted: _____
Alderman Lisa Wynn	voted: _____
Alderman Henry Vaughn, Sr.	voted: _____

The motion having received the affirmative vote of a majority of the members present, the Mayor declared the motion carried and the resolution adopted this, the 1st day of November, 2016.

DEVELOPMENT AND REIMBURSEMENT AGREEMENT

(attached)

DEVELOPMENT AND REIMBURSEMENT AGREEMENT

This Development and Reimbursement Agreement (the “Agreement”) dated as of the 1st day of November, 2016, by and between the City of Starkville, Mississippi, a municipal corporation organized and existing under the laws of the State of Mississippi (the “City”) and Wal-Mart Stores East, LP, a Delaware limited partnership (the “Developer”).

WITNESSETH:

WHEREAS, the City, acting through its Mayor and Board of Aldermen (the “Board”) pursuant to the Mississippi Tax Increment Financing Act, Title 21, Chapter 45, Mississippi Code of 1972, as amended (the “Act”), has previously conducted hearings on and approved and adopted the Tax Increment Financing Redevelopment Plan, City of Starkville, Mississippi, February 2006 (as amended from time to time, the “Redevelopment Plan”) for the City.

WHEREAS, on September 6, 2016, the Board adopted an Order calling a public hearing on the *Tax Increment Financing Plan, Starkville Neighborhood Market Project, City of Starkville, Mississippi, September 2016* (the “TIF Plan”), as qualified for tax increment financing (“TIF”), and on September 20, 2016, the Board adopted a resolution to approve the TIF plan, and at a future time or times to issue Tax Increment Financing Bonds (the “Bonds”) in a principal amount not to exceed One Million Three Hundred Fifty Thousand Dollars (\$1,350,000), all as provided by the Act.

WHEREAS, on September 10, 2016, the City published a Notice of a Public Hearing on the TIF Plan, and on September 20, 2016 the Board held a public hearing on the TIF Plan, all as required by the Act, after which the Board adopted a resolution giving final approval to the TIF Plan and authorizing the issuance of the Bonds for the purpose of acquiring and constructing the Infrastructure Improvements, as defined hereinbelow.

WHEREAS, the “Developer” proposes to develop an approximately 43,000 square foot Neighborhood Market and fuel center strategically located off Highway 12 and Market Road (the “Project”) in the City and in the TIF District (the “TIF District”), as described in the TIF Plan. The Project will be located in Oktibbeha County (the “County”) and within the corporate limits of the City. The City may enter into an Interlocal Cooperation Agreement with the County, pursuant to Title 17, Chapter 13, Mississippi Code of 1972, as amended (the “Interlocal Cooperation Act”) to support the Project and to allow TIF Bond proceeds to be used to reimburse the Developer for the cost of constructing various infrastructure improvements, which may include but are not limited to, acquiring and constructing on-site and off-site improvements, which may include, but not necessarily be limited to, installation, rehabilitation and/or relocation of utilities such as water, sanitary sewer, construction, renovation, or rehabilitation of drainage improvements, roadways, curbs, gutters, sidewalks, surface parking, relocation of electrical lines, lighting, signalization, landscaping of rights-of way, related architectural/engineering fees, attorney’s fees, TIF Plan preparation fees, issuance costs, capitalized interest, and other related soft costs (collectively, the “Infrastructure Improvements”).

WHEREAS, the principal sum of the Bonds, being in a principal amount not to exceed One Million Three Hundred Fifty Thousand Dollars (\$1,350,000), shall be used to acquire and construct the Infrastructure Improvements.

WHEREAS, the City will pledge the increase in ad valorem real property tax revenues (the “City Ad Valorem TIF Revenues”) calculated in the manner set forth in Section 21-45-21, Mississippi Code of 1972, and the increase in the amount of the municipal sales tax diversion received by the City from sales taxes collected within the boundaries of the TIF District, calculated in the manner set forth in Section 21-45-21, Mississippi Code of 1972 (the “Sales Tax Rebate TIF Revenues”) to secure the Bonds.

WHEREAS, it is anticipated that the County will pledge the increase in its ad valorem real and personal property tax revenues (the “County Ad Valorem TIF Revenues”) to secure the Bonds.

WHEREAS, the amount of the Bonds to be issued shall be determined by using the sum of: (a) 100% of the City Ad Valorem TIF Revenues PLUS (b) 50% of the Sales Tax Rebate TIF Revenues PLUS (c) 50% of the County Ad Valorem TIF Revenues.

WHEREAS, the City Ad Valorem TIF Revenues, the Sales Tax Rebate TIF Revenues and the County Ad Valorem TIF Revenues shall be hereinafter referred to collectively as the “TIF Revenues”.

WHEREAS, part or all of the Project and part or all of the Infrastructure Improvements has been or will be constructed by the Developer prior to the issuance of the Bonds.

WHEREAS, after the sizing of the issue of Bonds has been determined as described above, and the Bonds have been issued, the proceeds of the Bonds shall be first used to pay the issuance costs for the Bonds, as determined by the City, and such proceeds shall be next used for the reimbursement (the “Reimbursement Portion”) to the Developer for such portion of the costs of the Infrastructure Improvements that does not exceed the remaining proceeds of the Bonds, and does not exceed the costs advanced by the Developer for Infrastructure Improvements.

WHEREAS, this Agreement is authorized by the Act.

WHEREAS, it is necessary for the Developer to go forward with the construction of the Project described in the TIF Plan in anticipation of the delivery of the Bonds, and as required by the Act, this Agreement is being executed and delivered in order to set forth the agreement between the Developer and the City for the construction of the Project and the reimbursement to the Developer for all or a portion of the costs of the Infrastructure Improvements, in an amount not to exceed the Reimbursement Portion of the Bonds.

WHEREAS, the process for reimbursement to the Developer by the City shall be governed by a requisition for payment process as evidenced by Form of Requisition, attached hereto as **Exhibit A**.

NOW, THEREFORE, IN CONSIDERATION OF THE FOREGOING, THE RECEIPT AND LEGAL SUFFICIENCY OF WHICH IS HEREBY ACKNOWLEDGED, THE CITY AND THE DEVELOPER HEREBY AGREE AS FOLLOWS:

SECTION 1. The Developer shall commence with the construction of the Project and the Infrastructure Improvements, and complete the same. The City shall have the right to hire a professional services firm to provide construction and/or inspection services on behalf of the City, which costs shall be a part of the costs of the Infrastructure Improvements. The City shall, subject to the provisions of this Agreement and the issuance of the Bonds, reimburse the Developer for all or a portion of its expenditures pursuant to this Agreement for the Infrastructure Improvements.

SECTION 2. The Project, including the Infrastructure Improvements, will be constructed and acquired by the Developer and will result in expenditures for Infrastructure Improvements of up to One Million Three Hundred Fifty Thousand Dollars (\$1,350,000). The City will issue its Bonds to defray the costs of the Infrastructure Improvements in the such actual principal amount as may be reasonably determined by the City in accordance with fact.

SECTION 3. The City will deliver the Bonds as soon as the Developer is able to demonstrate to the satisfaction of the City that projected TIF Revenues will provide moneys sufficient to make the Bond payments for such Bonds; however, such portion of the TIF Revenues consisting of ad valorem tax revenues shall be projected by the Tax Assessor of the County (which projection may be obtained prior to the property on which said ad valorem tax revenues are projected being placed on the tax rolls of the County), or shall be projected by a financial advisor or a consultant knowledgeable and experienced in making such projections, and Sales Tax Rebate TIF Revenues shall be certified by the Mississippi Department of Revenue and annualized.

SECTION 4. Bonds to be issued pursuant to this Section shall be issued within three (3) years from the later of: (1) the date of approval of the Interlocal Cooperation Agreement between the City and the County with respect to the Project and the Bond, OR (2) the approval of the TIF Plan by the City and the County (if applicable). The City pledges to use its best efforts to issue the principal amount determined to be appropriate pursuant to this Section and to issue such principal amount of the Bonds as is justified by information presented within the specified time frame and as soon as practicable following Developer's demonstration that the projected TIF Revenues will provide sufficient moneys to pay the Bonds as described in the immediately preceding paragraph.

SECTION 5. The acquisition and construction of all or any portion of the Infrastructure Improvements by the Developer will be at Developer's own cost prior to the delivery of the Bonds and to the extent allowed by law and this Agreement, the City will reimburse the Developer for its expenditures so incurred in amounts not to exceed the proceeds of the Bonds available for such purpose for Infrastructure Improvements when the Bonds are delivered and the proceeds of the Bonds are received by the City; provided however, that all Infrastructure Improvements shall be constructed in compliance with all applicable City and County standards, codes and ordinances.

SECTION 6. The City and the Developer agree that at such time as the Bonds are sold and delivered, the City shall deposit any premium or accrued interest in a debt service fund, any moneys that may be necessary or advisable into a debt service reserve fund, and the remaining proceeds into a construction fund. From the construction fund, the City shall first set aside or pay an amount sufficient to pay the City's outstanding obligations incurred in connection with the Project, if any, including all approved TIF Plan preparation and consulting fees, engineering fees, legal fees and costs of issuance of the Bonds, and then, in the City's sole discretion, may establish a capitalized interest fund as a reserve to pay interest on the Bonds which would be due and payable prior to the date when the first incremental increase in taxes is received (the "Debt Service Reserve Fund"). The proceeds shall next be used to reimburse the Developer for all approved eligible costs and expenditures made by the Developer in connection with acquisition and construction of the Infrastructure Improvements portion of the Project, by requisition therefor, as described in **Exhibit A**, and the remainder of the proceeds of the Bonds, if any, will remain in the construction fund of the City to pay the remaining costs of the Infrastructure Improvements as same may be incurred by the Developer or the City to the extent that the Developer has been fully reimbursed for its Infrastructure Improvements expenditures. In the event a Debt Service Reserve Fund is required to sell the Bonds on terms and conditions acceptable to the City, the final payment on the Bonds shall be made from the TIF Revenues and funds accrued in the Debt Service Reserve shall be released to the Developer on terms and conditions to be negotiated among the City, the Developer and the Bond purchaser.

SECTION 7. The Developer hereby acknowledges and agrees that the City is not authorized to use its general funds to pay (or to reimburse the Developer) any part of the costs of the Project or the Infrastructure Improvements or cost and expenses incurred in connection with issuing the Bonds, and that the City's obligation to expend funds or reimburse the Developer is limited to the proceeds of the Bonds, and in the event the Bonds are not sold and delivered, no resulting liability shall accrue to the City, irrespective of expenditures made by the Developer in connection with construction of the Project and the Infrastructure Improvements. To the extent that proceeds of the Bonds are not sufficient to pay costs of the Infrastructure Improvements, the Developer shall be responsible for any costs it has incurred for such purpose. The City covenants and agrees to use its best efforts to issue the Bonds in the amounts, for the purposes and at the times contemplated herein, and covenants and agrees that the Bonds will be issued unless the issuance thereof is prevented by rule of law, commercial inability to issue such Bonds or by the lack of sufficient projected TIF Revenues to provide for the Bond Payments of the Bonds, in the amount provided for herein, as may reasonably be determined by the City in accordance with fact.

SECTION 8. The Developer acknowledges and agrees that it assumes the risk of proceeding with the construction and acquisition of the Project prior to the issuance and sale of the Bonds and further acknowledges that the City's sole source of funds available to pay the cost of the Infrastructure Improvements or reimburse the Developer for such cost is the proceeds derived from the sale of the Bonds.

SECTION 9. The Developer shall submit plans and specifications to the City for installation or construction of those properties and facilities that are a part of the Infrastructure Improvements for which the City is to assume ownership, operation, use, maintenance, repair,

replacement, improvement or control. Such plans and specifications shall be subject to the timely approval of the City or its authorized officers or agents. The Developer will construct and install, or cause to be constructed and installed, at its expense, said facilities in substantial accordance with said plans and specifications so approved by the City.

SECTION 10. The amount of the Bonds to be issued shall be determined by using the sum of: (a) 100% of the City Ad Valorem TIF Revenues PLUS (b) 50% of the Sales Tax Rebate TIF Revenues PLUS (c) 50% of the County Ad Valorem TIF Revenues.

SECTION 11. The City hereby agrees that it will make all reasonable efforts to issue and deliver the Bonds, from time to time, in a timely manner and represents to the Developer that, subject to construction, completion and operation of the Project by the Developer, it knows of no reason why the Bonds will not be issued and delivered. Further, the City hereby agrees that any consent or approval required herein to be made by, or on behalf of the City, shall be done in good faith and shall not be unreasonably withheld or delayed.

SECTION 12. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable, the same shall not affect any other provision herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

SECTION 13. Any notice, request, complaint, demand, communication or other paper shall be sufficiently given when delivered or mailed by registered or certified mail, postage prepaid, or sent by telegram, addressed to the addresses set forth below:

SECTION 12. Prior to any reimbursement, the Developer will present a description of any portion of the Infrastructure Improvements to be dedicated to the City, if any. If no property is to be dedicated to the City, the Developer shall so inform the City prior to any reimbursement. Contingent on same being constructed in compliance with City standards, codes and ordinances, the City agrees to accept maintenance responsibility for that part, if any, of the Infrastructure Improvements which is dedicated to the City. The non-dedicated Infrastructure Improvements shall remain the property of the Developer or other private party and shall be maintained by the Developer or such other private party.

SECTION 13. Neither the Developer nor the City shall assign its obligations or interests in this Agreement without prior written consent of the other, which consent shall not be unreasonably withheld or delayed.

FOR MORE INFORMATION CONTACT: Edward C. Kemp

There are several sections of the sidewalk on North Montgomery between Highway 182 and the Episcopal Church driveway which are dangerous to walkers and runners and are non-ADA compliant. It is proposed to remove the existing 4' sidewalks with 5' sidewalks with the exception of the two small repairs near Hwy 182 which will be replaced to match existing. There is also a sweetgum tree between the sidewalk and the curb which has caused the sidewalk to buckle and break and will continue to cause issues unless it is removed. It is estimated that all of these improvements will cost approximately \$9000. The areas to be replaced and the proposed tree to be removed are shown below:

SUGGESTED MOTION: Move for approval to repair sections of sidewalk on North Montgomery and tree/stump removal in order to make the sidewalk ADA compliant with project be paid from Ward 5 discretionary funds and authorization for the Mayor to execute a contract with lowest contractor which includes a contract time of 20 calendar days.

**RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY
OF STARKVILLE, MISSISSIPPI REGARDING COLOR OF OFFICIAL CITY
VEHICLES**

WHEREAS, the Mayor and Board of Aldermen of the City of Starkville, Mississippi, (the "Board" of the "City"), acting for and on behalf of the City, hereby find, determine and adjudicate as follows:

1. On March 7, 1989, the Board entered an Order on its minutes directing that all vehicles purchased by the City be white in color. A copy of that Order is attached and incorporated as Exhibit "A."
2. Over time, the City has strayed from the dictates of that Order.
3. It is important to the appearance and functionality of the City for its vehicle fleet to be uniform in color.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

SECTION 1. The City shall comply with its Order of March 7, 1989.

SECTION 2. All vehicles purchased by the City shall be white in color unless falling under one of the exceptions listed below.

SECTION 3. All vehicles purchased for the Starkville Fire Department shall be red in color.

SECTION 4. Any other color deviation must be considered and approved by the Starkville Board of Aldermen before purchase.

SECTION 5. This Resolution shall apply to vehicles purchased by the City following the date of this Resolution and shall not apply retroactively to vehicles purchased or ordered prior to the date of this Resolution.

SUGGESTED MOTION:

Move approval of the contract between the City of Starkville, Mississippi Department of Archives and History, and Schneider Historic Preservation, LLC for the proposed Oktibbeha Gardens National Historic District and survey.

CONTRACT
SURVEY AND NATIONAL REGISTER NOMINATION
FOR THE CITY OF STARKVILLE, OKTIBBEHA COUNTY

THIS CONTRACT between the Historic Preservation Division, Mississippi Department of Archives and History (by and through the State Historic Preservation Officer), the City of Starkville (hereinafter called **The City**), and David Schneider of Schneider Historic Preservation, LLC, (hereinafter called the **Consultant**) relates to a survey and National Register nomination project to be undertaken by the Consultant for the Mississippi Department of Archives and History (hereinafter called **MDAH**) and The City in a specified area known as Oktibbeha Gardens within the city limits of Starkville, Oktibbeha County.

MDAH, The City, and the Consultant agree as follows:

1. Work Program

The Consultant shall carry out project work as specified in the "Work Program" for this project, and further delineated in attached "Map" which are hereby incorporated into and made a part of this contract as **Attachments A and B**. MDAH survey standards are incorporated into and made a part of this contract as **Attachment C**.

2. Compensation

The Consultant agrees to perform the work outlined in Attachment A and further described in Attachment B for the total of **\$10,000.00**. Under no circumstances will the amount of compensation under this contract exceed **\$10,000.00**. The City is expected to be able to cover all costs incurred during the course of the project, prior to reimbursement of the grant funds.

Compensation to the Consultant shall be made upon satisfactory completion and submission to the Historic Preservation Division, MDAH, of the products of the project as specified below and upon receipt of invoices for the project. Compensation may be made incrementally, with the following completion points:

Phase 1: Completion of survey fieldwork (as defined in Attachment A), survey forms (with revisions if needed), digital photographs, and survey report. 50% of project cost. (Estimated to be **\$5,000.00** based on a total project cost of **\$10,000.00**.)

Phase 2: Completion of National Register nomination to all MDAH/National Park Service standards and requirements (as defined in Attachments A & C). 50% of project cost. (Estimated to be **\$5,000.00** based on a total project cost of **\$10,000.00**.)

The Consultant's invoices for the project cost up to the amount of **\$10,000.00** should be made to the City of Starkville, and must be electronically forwarded to MDAH for review and comment before MDAH will pass the invoice on to the City for payment. Final compensation to the Consultant shall be made upon satisfactory completion and submission to the Historic Preservation Division, MDAH, and the City of the products of the project as specified below. Final invoices must be dated and **received** no later than **August 1, 2017**.

3. Amendment Provision

The terms of the Contract may be amended by written agreement, signed by all parties.

4. Termination for Cause

(a) Default. If the Consultant refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of contract, MDAH or the City of Starkville shall notify the Consultant in writing of the delay or nonperformance, and if not cured in ten (10) days or any longer time specified in writing by MDAH or the City, MDAH or the City may terminate the Consultant's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform.

(b) Excuse for Nonperformance or Delayed Performance. The Consultant shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Consultant to make progress in the prosecution of the work hereunder which endangers such performance) if the Consultant has notified MDAH and the City of Starkville within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. Upon request of the Consultant, MDAH shall ascertain the facts and extent of such failure, and if the Survey Manager or National Register Coordinator determine that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable clause, the Consultant's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, if possible.

(c) Additional Rights and Remedies. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

5. Reports

The Consultant shall advise the MDAH Survey Manager and National Register Coordinator of the progress of the project by telephone, e-mail, or by letter at least once every month while the project is underway. The Consultant shall contact the Survey Manager or National Register Coordinator immediately if any situation should arise which will affect the timely or successful completion of this project and/or the final submission of the completed nomination.

6. Submission of Materials Which May Require Revision

February 17, 2017: The Consultant shall submit all research materials, printed survey forms, and digital photographs on portable media for review by the Historic Preservation Division, MDAH.

March 3, 2017: The Consultant shall submit a final draft of the Survey Report.

April 7, 2017: The Consultant shall submit draft National Register materials, including a draft nomination(s), required photos and maps for review and comment.

April 28, 2017: The Consultant shall submit final National Register materials, incorporating changes requested by MDAH.

July 20, 2017: The Consultant shall present the historic district nomination to the Mississippi National Register Review Board meeting in Jackson, Mississippi.

Materials from each review will be returned by MDAH for revision in a timely manner, and **this project will not be considered complete until changes requested by MDAH have been made and the finished product has been received by MDAH.**

7. Copyright

The copyright for any publication resulting from materials, information, and data assembled due to this contract shall be available to the MDAH and the City of Starkville, and the MDAH and the City of Starkville shall retain the right of printing and reprinting any publications using said materials, information, and data. The Consultant waives any claim to a copyright involving said materials, information, and data.

8. General Provisions

The Consultant agrees to comply with all federal and state laws and regulations concerning equal opportunity, affirmative action, and fair employment practices. The Consultant further agrees to comply with all applicable regulations, laws, policies, guidelines, and requirements of this federal/state program. The Consultant shall indemnify and hold harmless the MDAH and the City of Starkville, and all of their officers, agents, and employees from all suits, actions, or claims of any character brought for or on account of any injuries or damages received by any persons or property resulting from the operations of the Consultant in executing work under this contract.

FEDERAL AND STATE PAYROLL TAXES: Neither federal nor state income tax nor payroll tax shall be withheld or paid by the Department or the City of Starkville on behalf of the Consultant or the employees of the Consultant. The Consultant shall not be treated as an employee by MDAH or the City of Starkville with respect to the services performed hereunder for federal or state tax purposes.

FRINGE BENEFITS: Because the Consultant is an Independent Contractor, the Consultant is not eligible for, and shall not participate in, any employee pension, health, or other fringe benefit plan of MDAH, the City of Starkville, or of the State of Mississippi.

WORKERS' COMPENSATION: No Workers' Compensation insurance shall be obtained by MDAH or the City of Starkville concerning the Consultant or Consultant's employees. Any insurance that is required by law shall be obtained by the Consultant.

STATEMENT OF COMPLIANCE WITH FEDERAL NON-DISCRIMINATION LAWS: By execution of the contract, Consultant affirms that Consultant is an equal opportunity employer and, therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful, and Consultant acknowledges that Consultant will strictly adhere to this policy in the performance of Consultant's obligations under the terms of this Contract.

9. Special Condition

No part of the money appropriated for this project shall be used directly or indirectly to pay for any personal service, telegram, advertisement, telephone, letter, printed, or written matter or other device, intended or designed to influence in any manner a Member of Congress, to favor or oppose, by vote or otherwise, any legislation or appropriation by Congress, whether before or after the introduction of any bill or resolution proposing such legislation or appropriation; but this shall not prevent officers or employees of the United States or its Departments or agencies from communicating to members of Congress at the request of any Member, or to Congress through the proper official channels, requests for legislation or appropriations which they deem necessary for the efficient conduct of the public business. Thus costs associated with activities to influence legislation pending before the Congress, commonly referred to as "lobbying," are unallowable as charges to historic preservation fund-assisted grants, either on a direct or indirect cost basis.

ATTACHMENT A: WORK PROGRAM

Scope of Work

This project consists of two components: An intensive-level, comprehensive survey, and a National Register District Nomination.

Phase I: Completion of the survey of Oktibbeha Gardens subdivision. The survey area is delineated by the shaded areas on the attached map and is estimated to contain approximately 190 resources. This is merely an estimate, and this scope of work covers the entire boundary as indicated by the shaded areas of the attached map and is not constrained by the preliminary estimate. Upon completion of the survey, the Consultant will complete a survey report, following the format specified in the attached Survey Standards.

Phase II: Completion of a National Register District Nomination for the Oktibbeha Gardens subdivision. Final boundaries for the National Register District will be determined at the conclusion of the survey in consultation with the National Register Coordinator.

Survey materials will be submitted to MDAH Survey Manager, and be copied to the City of Starkville according to the following schedule:

The Consultant shall submit all research materials, printed survey forms and digital photographs on portable media for review by the Historic Preservation Division, MDAH. **February 17, 2017.**

The Consultant shall submit a final draft of the Survey Report for review by **March 3, 2017.**

The Consultant shall submit draft National Register materials, including a draft nomination(s), required photos and maps for review and comment by **April 7, 2017.**

The Consultant shall submit final National Register materials, incorporating changes requested by MDAH, by **April 28, 2017.**

The Consultant shall present the historic district nomination to the Mississippi National Register Review Board meeting in Jackson, Mississippi, currently scheduled for **July 20, 2017.**

Materials from each review will be returned by MDAH for revision in a timely manner, and this **project will not be considered complete until changes requested by MDAH have been made and the finished product has been received by both MDAH and the City of Starkville.**

Survey Phase

The Consultant shall conduct a survey of properties within the specified area of Starkville (see **Attachment B**), which is estimated to contain 190 structures.

A. Survey Inclusion Criteria

1. All properties within the proposed survey area (**Attachment B**) shall be recorded on a Historic Resources Inventory form.

2. Subsidiary buildings such as garages and storage sheds will not normally be recorded on individual Historic Resources Inventory forms, but instead on the form for the building to which they are subsidiary. However, an individually notable subsidiary building, such as a carriage house or barn, should be recorded individually.
3. A vacant lot or a site where a building no longer stands will not normally be recorded on a Historic Resources Inventory form, except when the building previously there was of importance in understanding the historical or architectural development of the community and when sufficient information (such as photos or Sanborn maps) exist to justify the preparation of an inventory form.

B. Survey Documentation

The survey shall consist of at least three phases: archival research, fieldwork, and compilation onto Historic Resources Inventory forms. Archival research will primarily take place at the local library, and should include Sanborn map research, whether undertaken online or in a local collection. Fieldwork will take place principally on foot and includes a digital photograph of each major structure on a property and field notes about the building including a site plan drawn on the scene. Compilation of the archival research and field notes and photos will result in a completed survey form for each major building within the survey boundary.

The survey shall be recorded on Historic Resources Inventory forms which will be provided by the HPD, or a computer-based equivalent approved by HPD. The forms shall be completed according to the instructions provided by HPD and to the standards adopted by HPD in its "Survey Standards" (**Attachment C**). **Original survey forms with attached photo shall be provided to MDAH as part of the final project materials and a second set provided to the City of Starkville.**

C. Digital Photography

1. At least one, clear, sharp digital image must be taken for the main façade of every surveyed property.
2. Digital images must be six megapixels or greater (2000x3000 pixel image at 300 dpi), and be in compliance with NPS Photo Policy standards for National Register properties and National Historic Landmarks. This information can be found at the following line.
<http://www.nps.gov/nR/publications/bulletins/photopolicy/index.htm>
3. Digital photographs are expected to be high-quality--not blurry, washed-out, or grainy--showing the complete facade of the building or the most significant part of a landscape, structure, or other resource. Digital photographs that do not provide adequate representations of resources will be sent back to the consultant and must be re-shot before the survey will be approved by the Survey Manager.
4. While one photo is required for each structure, additional photos of significant buildings may be necessary as well.

5. Significant outbuildings, such as carriage houses, kitchen dependencies, etc. should be photographed and surveyed on a separate survey form.
6. Copies of digital images for each surveyed property must be submitted on a CD or other acceptable forms of portable media such as flash drives.
 - **Each image must be labeled with the address of the property, number followed by street.**
 - Digital images may be in .JPEG or .TIFF formats.
 - Images must be organized in folders according to street name.
 - CD or portable media must be labeled with the Consultant's name, project name, and date (month/year) of photos. When multiple CDs are needed, discs should be numbered sequentially.

D. Printing Digital Photographs

All digital photographs are to be printed out on professional quality photo paper in 4x6 format at 300 dpi and attached to the HRI form using archival glue (see Attachment C for full printing standards). Photographs stapled to the HRI form will not be accepted by the Survey Manager.

E. Maps

- a. The location of all surveyed properties shall be indicated on large-scale maps, keyed to the survey sequence number. Copies of city engineering maps or the county property ownership maps are normally sufficient for this purpose.
- b. Originals of all maps will be given to MDAH. A second original or a high-quality copy of each map will be made and deposited with the City of Starkville.

F. Survey Report:

A survey report shall be prepared discussing the project objectives, historical research, methodology, and findings. A copy of the report will be submitted in draft form for review by the survey manager, Historic Preservation Division (HPD).

National Register Historic District Phase

The Consultant will also prepare a National Register of Historic Places district nomination for a Historic District within the survey area. The preliminary boundaries for this district are delineated on the map (See **Attachment B**). Final district boundaries will be determined by the Consultant and MDAH National Register Coordinator once the Survey Phase is completed. The National Register historic district nomination will be prepared according to the guidelines promulgated by the National Register office and in the format specified by the Historic Preservation Division, according to the above schedule.

Any corrections or additional information required by the Mississippi National Register Review Board or the National Park Service (NPS) shall be provided by the Consultant in a timely manner.

A. National Register Materials

1. An original, fully completed electronic version (preferably created in MS Word) of the National Register of Historic Places Registration Form (NPS form 10-900, October 1990) for each nominated district and each nominated property. All documentation must be in conformance with standards established by the National Register office and set forth in National Register Bulletin 16-A.
2. Two 5" x 7" color photographic prints and a digital image are required for each view submitted. For historic district nominations, photographic coverage should include all properties of major significance, representative streetscapes, representative boundary shots, representative contributing properties, and representative non-contributing properties. Photographs should be labeled as specified by the National Register Office and the Historic Preservation Division. Photographs and digital images should adhere to the following National Register photo standards as outlined by the National Park Service.

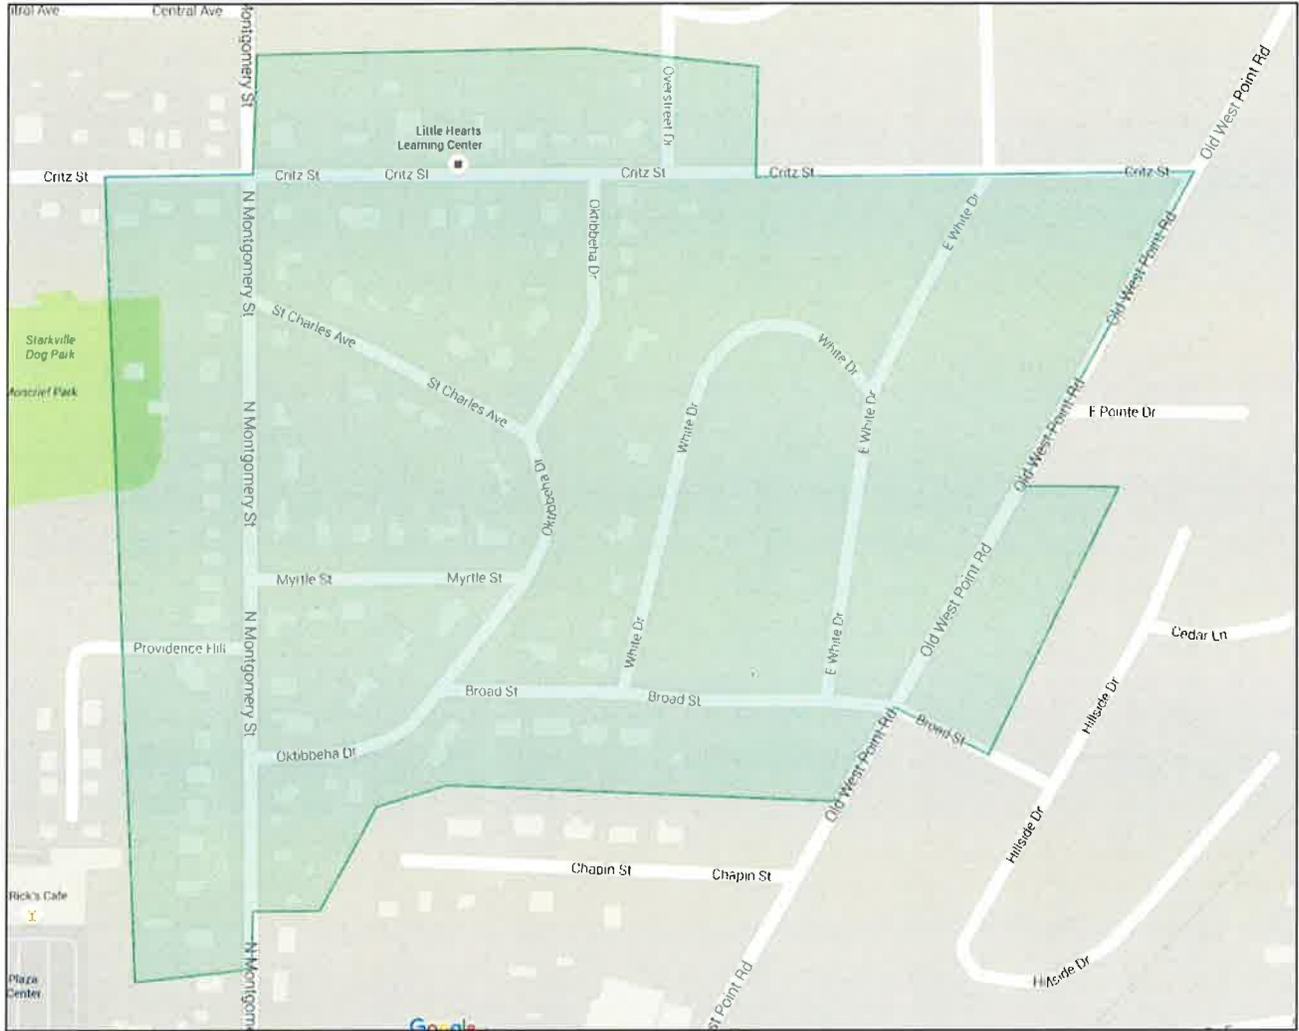

[http://www.cr.nps.gov/nr/publications/bulletins/photopolicy/Photo Policy update 2013 05 15.pdf](http://www.cr.nps.gov/nr/publications/bulletins/photopolicy/Photo_Policy_update_2013_05_15.pdf)

3. One original and one duplicated map for each historic district, indicating the locations of all inventoried elements of the district referenced by inventory number and showing the status of each property as contributing or non-contributing. Each map must also show the district boundaries, a north arrow, street names, and photo locations for general or streetscape views. Lot lines must also be indicated. These maps must be archivally stable, black-line prints or originals. Blue-line prints or other ammonia-process maps will not be accepted.

B. Review Board Presentation

The consultant shall be available to make a presentation about any nominations completed under this contract to the Mississippi National Register Review Board at its next scheduled meeting that falls more than sixty-five days after the receipt of the final nomination by the Historic Preservation Division. In the case of this contract, the presentation of the district nomination should occur at the National Register Review Board meeting currently scheduled for **July 20, 2017**.

Survey Standards

(Revised August 2016)

Survey work contracted or managed through the Department of Archives and History (MDAH), Historic Preservation Division (HPD) or through a Certified Local Government (CLG) must meet the following standards to be considered complete:

Survey Forms:

- The Historic Resources Inventory (HRI) form is intended to be a permanent paper record kept in files maintained by the HPD and should be completed as neatly and accurately as possible. All relevant sections of the form need to be completed in order to be accepted by HPD. Step-by-step instructions for completing the HRI form are available upon request.
- HRI forms will be created using 'Consultant Inventory' a Microsoft Access Database provided by HPD. This database will generate a template for printing Historic Resource Inventory forms (HRI), as well as a .TXT file for incorporation into MDAH's online database. Instructions for using 'Consultant Inventory' are available from MDAH upon request.
- Upon completion of the survey, the consultant shall print out HRI forms on single, (front and back) sheets of white, acid free, 8.5x11 inch, 65# cardstock. Use of 'quilted' cardstock is strictly forbidden.
- A site or building plan **must** be completed for each resource surveyed. These do not need to be to scale, but should be neatly drawn and show details such as porches and roof types. In addition, the building's relation to the street or surrounding structures **must** be shown. The site plan may be hand-drawn or drawn on a computer.
- All sources used for research on each individual building should be entered under the section entitled 'Bibliographic Resources.' This includes Sanborn maps (for all years in which that building appears), City Directories, and the locations of any unusual or unpublished materials. **If Sanborn maps were made for any part of the survey area, the Consultant is expected to use them in researching each building and cite them in the 'Bibliographic Resources' section.**
- A printed photograph of the surveyed property **must** be attached to the survey form. **Photos must be printed on photo paper (see below) and attached with archival glue, but may not under any circumstances be stapled to the survey form.** Forms submitted without printed photos will not be accepted by the Survey Manager.

Digital Photographs

- At least one, clear, sharp digital image must be taken of the main façade of each surveyed property.
- Digital images must be six megapixels or greater (2000x3000 pixel image at 300 dpi), and be in compliance with NPS Photo Policy standards for National Register properties and National Historic

Landmarks. This information can be found at the following link.
<http://www.nps.gov/nR/publications/bulletins/photopolicy/index.htm>

- Photographs are expected to be high-quality--not blurry, washed-out, or grainy--showing the complete facade of the building or the most significant part of a landscape, structure, or other resource. Photographs that do not provide adequate representations of resources will have to be retaken before the final survey will be approved by the Survey Manager.
- While one photo is required for each structure, additional photos of significant buildings may be necessary as well.
- Significant outbuildings, such as carriage houses, kitchen dependencies, etc. should be photographed and surveyed on a separate survey form.
- Copies of digital images for each surveyed property must be submitted on a CD or other acceptable forms of portable media such as flash drives.
 - **Each image must be labeled with the address of the property, number followed by street**
 - Digital images **must be** in .JPEG or .TIFF formats.
 - Images must be organized in folders according to street name.
 - CD or portable media must be labeled with the Consultant's name, project name, and date (month/year) of photos. When multiple CDs are needed, discs should be numbered sequentially.

Printing Digital Photographs

- All digital photographs are to be printed out on professional quality photo paper in 4x6 format at 300 dpi and attached to the HRI form using archival glue. **Photographs stapled to the HRI form will not be accepted by the survey manager.**
- Photos printed at a professional-quality photo shop are preferred, but consultants who choose to print their own photos may use the following ink and paper combinations, in keeping with NPS photographic standards.

	Paper	Ink
Epson	<ul style="list-style-type: none"> • Premium Gloss Photo Paper • Premium Semigloss Photo Paper • Premium Luster Photo Paper • Premium Semimatte Photo Paper • UltraSmooth Fine Art Paper • Somerset Velvet • Velvet Fine Art Paper • Enhanced Matte Paper • PictureMate Photo Paper 	<ul style="list-style-type: none"> • UltraChrome pigmented inks • Claria Hi-Definition Inks • DuraBrite Ultra Pigmented Inks • Picture Mate Inks

Kodak	<ul style="list-style-type: none"> • Ultra Photo Premium 	<ul style="list-style-type: none"> • No. 10 Pigmented Inks

Maps: The location of all surveyed properties shall be indicated on large-scale maps keyed to the survey sequence number. All maps should feature a prominent north arrow, display consistent symbology, and be clearly readable whether printed in color or grayscale. For properties within towns, copies of city engineering maps or the county property ownership maps are normally sufficient. All other maps must be approved by the Survey Manager before being submitted as the map for the survey area.

Survey Report: A survey report shall be prepared discussing the project objectives, historical research, methodology, and findings. A copy of the report will be submitted in draft form for review by the survey manager, Historic Preservation Division (HPD).

The final survey report (when required) will be arranged in the following order:

- *Title Page:* The title page should include the title of the project, including the nature and location of the survey, the author of the report, the principal investigator(s), the project director, the sponsoring institution, association, or agency, and the date the report was prepared.
- *Acknowledgment:* The acknowledgment of state assistance should be stated on the title page or on the page immediately following the title page.
- *Project Description:* The introduction should summarize the objectives for conducting the intensive survey project, the scope of the project, the agencies involved, and the dates within which the project was accomplished. A map showing the location of the project must be included.
- Chapter 1: Survey Background and Methodology. Explanations of how the survey project came about and of the procedures used to execute the work program should be included in this section. Items that should be discussed include the following: which organizations were involved in initiating the survey; who surveyed the area and how the survey was conducted; phases of the survey, including a description of geographic or political areas that contributed to the phasing; types of properties surveyed and the criteria for coverage; and sources that contributed to the research effort. Public education efforts conducted in conjunction with the project should be discussed. The role of any volunteer or advisory groups and the success of their participation should be described.
- Chapter 2: Historical Summary or Context. A concise historical, cultural, and geographical background of the survey area should be included in this section. This should answer the following questions: What geographic or geologic features are unique to the area or supported its founding? What spurred the growth and or/development of the survey area? What were important events, whether national or local, that brought about change or decline in the area? What important people

lived or did business in the area and why were they important? If the area has distinct geographic sub-areas, how and why did those sections develop and what characteristics defined each section? Which (if any) historically important buildings located within the area are now non-extant?

- Chapter 3: Survey Findings. This section shall describe the character and distribution of the properties examined in the course of the survey project. For a typical architectural survey of a city or town, this section would include a description of the styles, types, and periods of buildings, the numbers or proportions of each, their relative architectural importance, and rates of survival. Individually important buildings should be cited. Important historical themes and developments (from Chapter 2) should be addressed and properties associated with those developments should be cited. Local historic district areas should be identified and described, and potential National Register district(s) should be noted. **The survey findings chapter of the survey report will normally not include a list of all surveyed properties. The list of surveyed properties should be attached to the report as one of the Appendices (typically as Appendix C).**
- Chapter 4: Survey Products and Documentation. This chapter must contain a description of the products of the survey (such as Historic Resources Inventory Forms, maps, historic context reports, photographic materials, and informational files) and any related documentation (including planning documents, designation reports, and bibliographies).
- Chapter 5: Recommendations for Further Research, Documentation, and Registration. This chapter should identify additional research and survey work that should be done, and should include recommendations for National Register nominations, Historic American Buildings Survey recordation, potential National Historic Landmark designation, and other documentation and registration proposals. These recommendations should be prioritized.
- Chapter 6: Recommendations for Resource Preservation. This chapter should begin with an account of the status of preservation interest and activity in the survey area or related to the surveyed properties up to the present time. It should address threats to the resources and make recommendations for mitigating those threats. This chapter should also make recommendations relating to the actions or policies of local governments, state or federal agencies, non-profit organizations, business firms, and other parties, with regard to the protection, preservation, development, or interpretation of historic resources in the survey area. Recommendations about educational or promotional activities may also be included.
- Appendices. The following documents will normally be attached as appendices:
 - A. A copy of the work program.
 - B. A list of any surveyed properties that are already listed on the National Register.
 - C. A comprehensive list of all surveyed properties, arranged alphabetically and numerically by street address and keyed to the survey map. This list should only include addresses, not descriptions of each building.

General Requirements:

- The consultant will submit all pertinent materials by the deadlines specified, to the standards required within the three-party contract.

- The consultant will inform the Survey Manager in writing of the status of the project on a monthly basis.

Termination from Consultancy List:

- If MDAH is forced to terminate with cause a survey or National Register contract, the consultant's name will be removed from MDAH's Survey Consultants List. Following a period of two (2) years after the official date of removal, the consultant may submit a written request for reinstatement to MDAH, (along with evidence of satisfactorily completed projects). MDAH will respond to a request within thirty (30) days.
- If MDAH receives a written complaint from a private individual or organization regarding professional lapses of or terminated contracts with a consultant on MDAH's Survey Consultants List, MDAH will ask the consultant to provide justification of his or her actions in writing. If MDAH finds the consultant's actions unprofessional or unethical, the consultant will be removed from the MDAH Consultants List. Prior to removal, the consultant will be notified of MDAH's actions in writing. The consultant may appeal permanent removal, and receive a hearing with MDAH, after which MDAH will render a final decision. After a period of two (2) years, the consultant may submit a written request for reinstatement to MDAH, (along with evidence of satisfactorily completed projects). MDAH will respond to a request within 30 days.

Survey Preliminary Deadline: If the survey project involves a National Register phase, all survey material, including completed inventory forms, contact sheets and photo indices, and maps, must be submitted for review and comment to the Survey Manager at least one month before HPD's due date for preliminary review of National Register nominations. This early deadline will allow the Survey Manager to review the survey and suggest corrections before the National Register nomination is completed and will ensure high-quality project materials.

Public Meeting: The HPD requires that the consultant meet with interested citizens and local officials at the beginning of any survey project to explain the purpose of the survey. A representative of the HPD, either the Survey Manager or Regional CLG Coordinator, may also be present and available to handle questions and comments. If the project includes a National Register phase, HPD **requires** at least one public meeting during the nomination phase of the project, but this meeting will be set up by MDAH's National Register coordinator. Consultants are also required to present completed National Register nominations to the scheduled meeting of the Mississippi National Register Board and include a prepared PowerPoint presentation of about 10 minutes summarizing the significance and character of the proposed

DATE OF VIOLATION: August 11, 2016
VIA: USPS

Dear Property Owner:

Our office received a complaint from the Utilities Department on August 11, 2016 informing us this property as noted above was in violation of the Utilities Ordinance Section 110-88 (a). The ordinance states as follows:

It shall be unlawful for any person to place, deposit or permit to be deposited in any insanitary manner on public or private property within the city, or in any area under the jurisdiction of the city, any human or animal excrement, garbage or other objectionable waste.

This is an Official Notice to have this violation brought into compliance within three (3) days from the date of this letter. Failure to correct this violation will result in a summons to appear before the City's Municipal Court, where impositions of fines and related penalties will be assigned.

If you have any questions, please call me at (662)323-2525 ext. 3137. You can view our city ordinances at www.cityofstarkville.org.

Sincerely,

J. B. Lyles

Sec. 110-88. - Use of public sewers required.

- (a) It shall be unlawful for any person to place, deposit, or permit to be deposited in any insanitary manner on public or private property within the city, or in any area under the jurisdiction of the city, any human or animal excrement, garbage or other objectionable waste.
 - (b) It shall be unlawful to discharge to any natural outlet within the city, or in any area under the jurisdiction of the city, any sewage or polluted waters, except where suitable treatment has been provided in accordance with the provisions of this article.
 - (c) Except as provided in this article, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of sewage.
 - (d) The owner of all houses, buildings or properties used for human occupancy, employment, recreation, or other purposes, situated within the city and abutting on any street, alley or right-of-way in which there is now located or may in the future be located a public sanitary or combined sewer of the city, is hereby required at his expense to install suitable toilet facilities therein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of this article, within 90 days after official notice to do so, provided that such public sewer is within 100 feet (30.5 meters) of the property line. If an on-site pressure system is required for a service connection, the operation and maintenance costs for the facility shall be the responsibility of the owner or user.
 - (e) It shall be unlawful for any person, establishment or corporation to discharge to the sewer system any pollutant except in compliance with federal standards promulgated pursuant to the Clean Water Act, and any more stringent state and local standards.
 - (f) Where a public sanitary sewer is not available under the provisions of subsection (d) of this section, the building sewer shall be connected to a private sewage disposal system complying with the provisions of section 110-89.

cc: Mr. Buddy Sanders, Community Development Director

The Mississippi State Department of Health has received a complaint regarding improper wastewater disposal from your property at 1040 N. Montgomery St. in Starkville. Please check into this matter and make repairs to ensure that this residence has a sanitary method of sewage disposal.

As authorized by virtue of section 41-3-15(4)(A)(B)(F) and 41-67-1-41-67-29 of the Mississippi Code of 1972, there shall be provided at each home a sanitary method of sewage disposal. You are required by law, section 41-67-21 of Mississippi Code of 1972, to repair a malfunctioning wastewater (sewage) system, or a properly constructed wastewater (sewage) system shall be installed no later than thirty (30) days after the date of this notification. A follow-up inspection will be made in thirty (30) days to determine compliance.

Your cooperation and assistance in this matter will be greatly appreciated. If you have any questions, feel free to call me at 601-502-7284.

Sincerely,

INVESTIGATION NOTES:

On the morning of September 9, 2016, Micheal Canerdy of the NRO met with Jeff Lyles, Buddy Sanders, and Terry Kemp of the City of Starkville. This group then traveled to Camelot Apartments, where we meet two Starkville PD officers. They showed me an ongoing sewer bypass into a drainage ditch from behind the fourth building on the right as you enter Camelot. The bypass appears to be coming from an open cleanout at the base of the building. Personnel stated this bypass has been going on for at least a month.

The ground around the bypass is saturated with sewage. The ground is black and flies and maggots were everywhere. There was a strong sewage smell in the area. Residents have been dumping solid waste and ruined food in this immediate area also.

Camelot Apartments is part of a complex with fractional ownership, and is a very high-crime area according to the officers and city officials. They have requested MDEQ's assistance in getting this ongoing bypass corrected. MSDH is also involved.

Records provided by the city show Camelot Court LLC owns the building the bypass is coming from. Public records searches indicate that R. Cory Anthony and J. Slade Kraker are the principals of Camelot Court LLC. These searches also show that R Cory Anthony is an attorney at Underwood Law Firm in Starkville, which shares a mailing address with Camelot Court LLC.

Given the strong interest from the City of Starkville and the duration of the bypass, I am routing this matter to ECED for resolution. I am sending a copy of Starkville's file on the site along with the hard copy of this report. Please call me at your earliest convenience to discuss this matter.

Counting and Reporting Results

1. Select those filters with 20-60 blue colonies, if none are in this range select the one closest to these ideal numbers.
2. Calculate and report the results as colonies per 100 mls using the formula below.

$$\text{Fecal Coliform Colonies/100 ml} = \frac{\text{\# of colonies X 100}}{\text{mls of sample filtered}}$$

3. If a filter with less than 20 or more than 60 colonies is used the final result must be reported as an estimated count. The calculation remains the same.

4. If no colonies are observed on any dilution, report your final result by assigning the largest dilution-a colony count of one and report the calculated number as less than the number calculated from that artificial count.
5. If there are so many colonies that they can not be counted, (100 colonies) use "600" in the formula as the number of colonies and your smallest aliquot of sample as mls of sample and calculate. Report this number with a greater than sign prefix and list it as estimated count.

Dear Mr. Anthony:

Re: Camelot Court LLC
Parcel 117e-00-028.01
Starkville, Mississippi
Oktibbeha County

The Mississippi Department of Environmental Quality (MDEQ) received a complaint on September 1, 2016 regarding a sewage bypass at the Camelot Apartments. Public records indicate that R. Cory Anthony and J. Slade Kraker are the principals of Camelot Court LLC, which owns the building where the bypass originates. An investigation into this matter on September 9, 2016 confirmed that a bypass was occurring. The bypass appeared to originate from an open cleanout at the base of the building. The ground surrounding the open cleanout appeared to be saturated with sewage.

Please respond in writing within ten (10) days of receipt of this letter with invoices or other proof that the bypass has been corrected. This matter cannot be resolved until MDEQ receives this information. As you are aware, the discharge of raw sewage is a violation of state law as well as a threat to human health and the environment. Failure to comply could result in formal enforcement, which may include penalties.

If you have any questions or comments regarding this matter, please contact me at (601) 961-5024.

Sincerely,

CERTIFIED MAIL/RETURN RECEIPT REQUESTED

Dear Property Owner:

Our office sent you a letter on August 15, 2016 informing you this property as noted above was in violation of the Utilities Ordinance Section 110-88 (a). You were given three (3) days to bring this property into compliance. As of this date the property still remains out of compliance.

You are being given ten (10) days from the date of this letter to have this waste water leak fixed. You have thirty (30) days to remit a full payment of one hundred dollars (\$100.00) to Bill Green, Office Manager, in the Community Development Department located on the 2nd floor at City Hall, 110 W. Main Street, Starkville, MS 39759. Mr. Green's telephone number is (662)323-2525 extension 3131. If this violation is not brought into compliance within the ten (10) days you will then be charged for a third offense.

Our office hours are Monday thru Friday, 8:00 a.m. till 5:00 p.m., excluding City Holidays. If you have any questions, please contact J. B. Lyles at (662)323-2525 extension 3137, or Vicki Lowrey at (662)323-2525 extension 3130.

Move approval of the Conditional Use request CU 16-05 with conditions to allow a wireless communication tower in a C-2 zone located at 602.5 Martin Luther King Jr Drive West

THE CITY OF STARKVILLE
PLANNING & ZONING COMMISSION
CITY HALL, 101 E. LAMPKIN STREET
STARKVILLE, MISSISSIPPI 39759

STAFF REPORT

TO: Members of the Planning & Zoning Commission
FROM: Emily Corban, Assistant City Planner (662-323-2525 ext. 3138)
CC: Applicant: GST Capital Partners, LLC
SUBJECT: CU 16-05: Conditional Use request to allow a wireless communication tower in a C-2 zone located at 602.5 Martin Luther King Jr Drive West with the parcel number 118N-00-0097.03
DATE: August 1, 2016

The purpose of this report is to provide information regarding the request by GST Capital Partners, LLC to approve a Conditional Use to allow a 150' wireless communication tower. The Parcel is located at 602.5 Martin Luther King Jr Drive West. The subject property to be leased is approximately 1.51-acres of land within a C-2 (General Business) zoning district.

BACKGROUND INFORMATION

The applicant is proposing the placement of a communication tower/facility on the subject property located at 602.5 Martin Luther King Jr Drive West. The subject property to be leased is approximately 1.51-acres of land within a C-2 (General Business) zoning district. The subject site area is currently undeveloped/vacant land and located directly off Martin Luther King Jr Drive West. The proposed tower will be a 150-foot monopole design within a 75' x 75' enclosed compound that will connect to an existing gravel access drive. The facility will be unmanned and will accommodate three carriers.

CELL TOWER ANALYSIS

Ordinance #2001-02 provides the following to consider in determining whether to issue the conditional use permit, although the Mayor and Board of Aldermen may waive or reduce the burden on the applicant of one or more of these criteria, if, in the sole discretion of the Governing Authority, the goals of the Ordinance are better served thereby:

1. Height of the proposed tower or antenna.
The proposed height of the communication tower is a one hundred and fifty (150) feet monopole tower while the proposed facility will be secured within a fenced 75' x 75' compound.
2. Proximity of the tower to residential structures and residential district boundaries.
The proposed tower is located approximately 200 feet from a residential structure
3. Technical or engineering requirements limiting placement of the tower in other areas in order to provide coverage.
There are no existing structures within a one-mile radius of the proposed location that will accommodate the applicants' needs

- Nature of uses on adjacent and nearby properties.

Direction	Zoning	Current Use
North	C-2	Church
East	C-2	Single Family Residential
South	C-2	Single Family Residential
West	R-5	Multi-Family

- Surrounding topography, tree coverage and foliage.
The property is a large parcel of undeveloped land in a heavily wooded area
- Design of the tower, with particular reference to design characteristics that have the effect of reducing or eliminating visual obtrusiveness.
- Availability of suitable existing towers and other structures.

Other Factors to Consider

To avoid interference with established public safety telecommunications, GST Capital Partners, LLC will only operate in compliance with FCC licensed spectrum, which will eliminate any possibility of interference with the antennas from any television, radio, or emergency systems-see attached professional engineer stamped letter. An aeronautical study was completed and revealed that the structure of the communication tower does not exceed obstruction standards and will not be a hazard to air navigation-see attached FAA letter.

The applicant went before the Board of Adjustments and Appeals on July 27, 2016 requesting two variances: to grant a 250’ foot setback distance in lieu of the required 300-foot setback distance adjacent to a residential property and a +- 380-foot radius in lieu of the required 2,640-foot radius from a residential district. The Board of Adjustments and Appeals made the recommendation of approval for the request.

Sixteen property owners of record within 300 feet of the subject property were notified directly by mail of the request. A public hearing notice was published in the Starkville Daily News on Monday, July 25, 2016 and a placard was posted on the property concurrent with publication of the notice. As of this date, the Planning Office has received one letter against the conditional use request.

CONDITIONAL USE ANALYSIS

Appendix A, Article VI, Section I of the City’s Code of Ordinances provides five specific criteria for conditional use review and approval:

- Land use compatibility.** The applicant believes that the subject property will adequately accommodate the coverage capacity needs of its growing consumer base. The applicant intends to maintain the undeveloped character of the property. There will be no trade or

manufacturing activity associated with the facility's presence which in turn will not alter the normal traffic flow within the area.

2. **Sufficient site size and adequate site specifications to accommodate the proposed use.** The subject property is approximately 1.51-acres of land in size with sufficient area available to provide for the secured fenced 75'x75' compound and connected 12' wide driveway for vehicular and utility access from Abernathy Drive.
3. **Proper use of mitigative techniques.** The construction of the wireless tower/facility site will be in compliance with all local, state and federal codes and requirements, which include, but are not limited to the FAA and FCC. The tower structure and site compound will also be constructed to allow for the co-location of three (3) additional wireless providers.
4. **Hazardous waste.** No hazardous wastes or materials would be generated, used or stored at the site.
5. **Compliance with applicable laws and ordinances.** The construction of the tower/facility will require adherence to all adopted City ordinances as well as adopted building and fire codes. An FAA Determination of No Hazard and State Historic Preservation Office letter has been issued.

CONCLUSIONS

Upon review of the proposed conditional use application, the Planning & Zoning Commission's recommendation for approval to grant the Conditional Use to allow a wireless communication tower/facility in a C-2 (General Business) zoning district located 602.5 Martin Luther King Jr. Drive West would be based on the findings of fact and conclusions of this staff report dated August 1, 2016, and the following conditions:

1. The applicant shall submit a complete site plan package with landscaping of the 75' x 75' equipment compound to the City's Development Review Committee and receive approval within one-hundred-eighty (180) days of approval of the conditional use request by the Mayor and Board of Aldermen.
2. The applicant shall gain approval by the City's Mayor and Board of Alderman of the Board of Adjustments & Appeals recommendation for approval of (2) two variances requested to grant a 250-foot setback distance in lieu of the required 300-foot setback distance and a +-380-foot setback radius in lieu of the required 2,640-foot radius from a residential district
3. The applicant shall obtain a building permit (for tower and antenna) and begin construction within ninety (90) days of the approval of the site plan by the City's Development Review Committee.

Re: MS2015007 Mini
150' Communication Tower
602.5 Dr. Martin Luther King Jr. Drive West
Starkville, MS 37959

We are proposing a 150' communication tower at 602.5 Dr. Martin Luther King Jr. Drive West in Starkville, Mississippi. This 150' communication tower will accommodate three carriers and the enclosed compound will hold the associated equipment for all three carriers and will not have any lighting. The district that the tower will be located is zoned C-2 which allows for a communication tower. There are no existing structures within a one mile radius of the proposed location that will accommodate our needs. We will allow colocation of any carrier that meets reasonable terms and conditions. The estimate cost of the communication compound is \$200,000.

Issued Date: 12/01/2015

**** DETERMINATION OF NO HAZARD TO AIR NAVIGATION ****

The Federal Aviation Administration has conducted an aeronautical study under the provisions of 49 U.S.C., Section 44718 and if applicable Title 14 of the Code of Federal Regulations, part 77, concerning:

Structure:	Monopole MS20157 MINI
Location:	Starkville, MS
Latitude:	33-27-55.22N NAD 83
Longitude:	88-50-00.76W
Heights:	294 feet site elevation (SE) 150 feet above ground level (AGL) 444 feet above mean sea level (AMSL)

This aeronautical study revealed that the structure does not exceed obstruction standards and would not be a hazard to air navigation provided the following condition(s), if any, is(are) met:

It is required that FAA Form 7460-2, Notice of Actual Construction or Alteration, be e-filed any time the project is abandoned or:

- At least 10 days prior to start of construction (7460-2, Part 1)
 Within 5 days after the construction reaches its greatest height (7460-2, Part 2)

Based on this evaluation, marking and lighting are not necessary for aviation safety. However, if marking/lighting are accomplished on a voluntary basis, we recommend it be installed and maintained in accordance with FAA Advisory circular 70/7460-1 K Change 2.

This determination expires on 06/01/2017 unless:

- the construction is started (not necessarily completed) and FAA Form 7460-2, Notice of Actual Construction or Alteration, is received by this office.
- extended, revised, or terminated by the issuing office.
- the construction is subject to the licensing authority of the Federal Communications Commission (FCC) and an application for a construction permit has been filed, as required by the FCC, within 6 months of the date of this determination. In such case, the determination expires on the date prescribed by the FCC for completion of construction, or the date the FCC denies the application.

NOTE: REQUEST FOR EXTENSION OF THE EFFECTIVE PERIOD OF THIS DETERMINATION MUST BE E-FILED AT LEAST 15 DAYS PRIOR TO THE EXPIRATION DATE. AFTER RE-EVALUATION OF CURRENT OPERATIONS IN THE AREA OF THE STRUCTURE TO DETERMINE THAT NO SIGNIFICANT AERONAUTICAL CHANGES HAVE OCCURRED, YOUR DETERMINATION MAY BE ELIGIBLE FOR ONE EXTENSION OF THE EFFECTIVE PERIOD.

This determination is based, in part, on the foregoing description which includes specific coordinates , heights, frequency(ies) and power . Any changes in coordinates , heights, and frequencies or use of greater power will void this determination. Any future construction or alteration , including increase to heights, power, or the addition of other transmitters, requires separate notice to the FAA.

This determination does include temporary construction equipment such as cranes, derricks, etc., which may be used during actual construction of the structure. However, this equipment shall not exceed the overall heights as indicated above. Equipment which has a height greater than the studied structure requires separate notice to the FAA.

This determination concerns the effect of this structure on the safe and efficient use of navigable airspace by aircraft and does not relieve the sponsor of compliance responsibilities relating to any law, ordinance, or regulation of any Federal, State, or local government body.

Any failure or malfunction that lasts more than thirty (30) minutes and affects a top light or flashing obstruction light, regardless of its position, should be reported immediately to (877) 487-6867 so a Notice to Airmen (NOTAM) can be issued. As soon as the normal operation is restored, notify the same number.

If we can be of further assistance, please contact our office at (718) 553-2611. On any future correspondence concerning this matter, please refer to Aeronautical Study Number 2015-ASO-15697-OE.

This registration is effective upon completion of the described antenna structure and notification to the Commission. **YOU MUST NOTIFY THE COMMISSION WITHIN 24 HOURS OF COMPLETION OF CONSTRUCTION OR CANCELLATION OF YOUR PROJECT**, please file FCC Form 854. To file electronically, connect to the antenna structure registration system by pointing your web browser to <http://wireless.fcc.gov/antenna>. Electronic filing is recommended. You may also file manually by submitting a paper copy of FCC Form 854. Use purpose code "NT" for notification of completion of construction; use purpose code "CA" to cancel your registration.

The Antenna Structure Registration is not an authorization to construct radio facilities or transmit radio signals. It is necessary that all radio equipment on this structure be covered by a valid FCC license or construction permit.

You must immediately provide a copy of this Registration to all tenant licensees and permittees sited on the structure described on this Registration (although not required, you may want to use Certified Mail to obtain proof of receipt), and display your Registration Number at the site. See reverse for important information about the Commission's Antenna Structure Registration rules.

You must comply with all applicable FCC obstruction marking and lighting requirements, as set forth in Part 17 of the Commission's Rules (47 C.F.R. Part 17). These rules include, but are not limited to:

Posting the Registration Number: The Antenna Structure Registration Number must be displayed in a conspicuous place so that it is readily visible near the base of the antenna structure. Materials used to display the Registration Number must be weather-resistant and of sufficient size to be easily seen at the base of the antenna structure. Exceptions exist for certain historic structures. See 47 C.F.R. 17.4(g)-(h).

Inspecting lights and equipment: The obstruction lighting must be observed at least every 24 hours in order to detect any outages or malfunctions. Lighting equipment, indicators, and associated devices must be inspected at least once every three months.

Reporting outages and malfunctions: When any top steady-burning light or a flashing light (in any position) burns out or malfunctions, the outage must be reported to the nearest FAA Flight Service Station, unless corrected within 30 minutes. The FAA must again be notified when the light is restored. The owner must also maintain a log of these outages and malfunctions.

Maintaining assigned painting: The antenna structure must be repainted as often as necessary to maintain good visibility.

Complying with environmental rules: If you certified that grant of this registration would not have a significant environmental impact, you must nevertheless maintain all pertinent records and be ready to provide documentation supporting this certification and compliance with the rules, in the event that such information is requested by the Commission pursuant to 47 C.F.R. 1.1307(d).

Updating information: The owner must notify the FCC of proposed modifications to this structure; of any change in ownership; or, within 30 days of dismantlement of the structure.

You can find additional information at [\[insert link\]](#) or by calling (877) 480-3201 (TTY 717-338-2824).

RE: Balloon test and visual effects assessment for the proposed Starkville cellular tower, MS-2015, TCNS #131881 MDAH Project Log #03-058-16 (01-100-16, 12-078-15), Report 16-0002, Oktibbeha County

Dear Mr. List:

We have reviewed the balloon test and visual effects assessment, received March 10, 2016, for the above referenced undertaking, pursuant to our responsibilities under Section 106 of the National Historic Preservation Act and 36 CFR Part 800. After reviewing the information provided, we would concur that the proposed tower will not have an adverse visual effect on historic properties listed or eligible for listing in the National Register of Historic Places. As such, we have no objection to the undertaking.

There remains the possibility that unrecorded cultural resources may be encountered during the project. Should this occur, we would appreciate your contacting this office in order that we may offer appropriate comments under 36 CFR 800.13.

If you need more information, please let me know.

Sincerely,

Greg Williamson
Review and Compliance Officer

RE: GST Capital Partners Request for Variance (VA 16-06)

Dear Mr. Havelin:

Thank you for making sure that members reviewing this request for a variance will have access to my letter as part of public testimony. I wanted to attend this meeting to speak to this issue, but I have been advised by my physician to avoid stressful situations that could increase my blood pressure and thus place my health at risk.

I object to this request for variance strenuously. Our property has belonged intact to my family for many years. No matter where I went in life, I always considered myself a Starkvillian, so I was very happy to move here in 2003 with my husband when we retired. We expected to enjoy the property for many years in pristine condition. Our investment in the property included a complete remodeling and adding an addition to our family home.

I absolutely protest this communication tower being built as proposed. Its addition will significantly reduce the enjoyment I get from my property, as I will be forced to gaze upon its unlovely shape every time I step out of my house. I very much value the residential look and feel of my property, and this would be an eyesore. We would not have spent so much money on the property had we thought it could be modified in such a way. Surely the beauty of a person's property should be respected in our town. Denying variances such as this one will ensure that Starkville maintains the look and feel we all love and cherish. That alone is reason enough to deny this request.

Further, however, please take careful note that this variance requests "a +-380 foot radius in lieu of the required 2,640-foot radius." On its face, this is an unreasonable request and should be enough to deny this request. Asking for such a variance practically obviates the intent of the requirement and cannot be seen as reasonable. No one wants such a structure overlooking their residential property, and especially not one 2,400 feet closer than required.

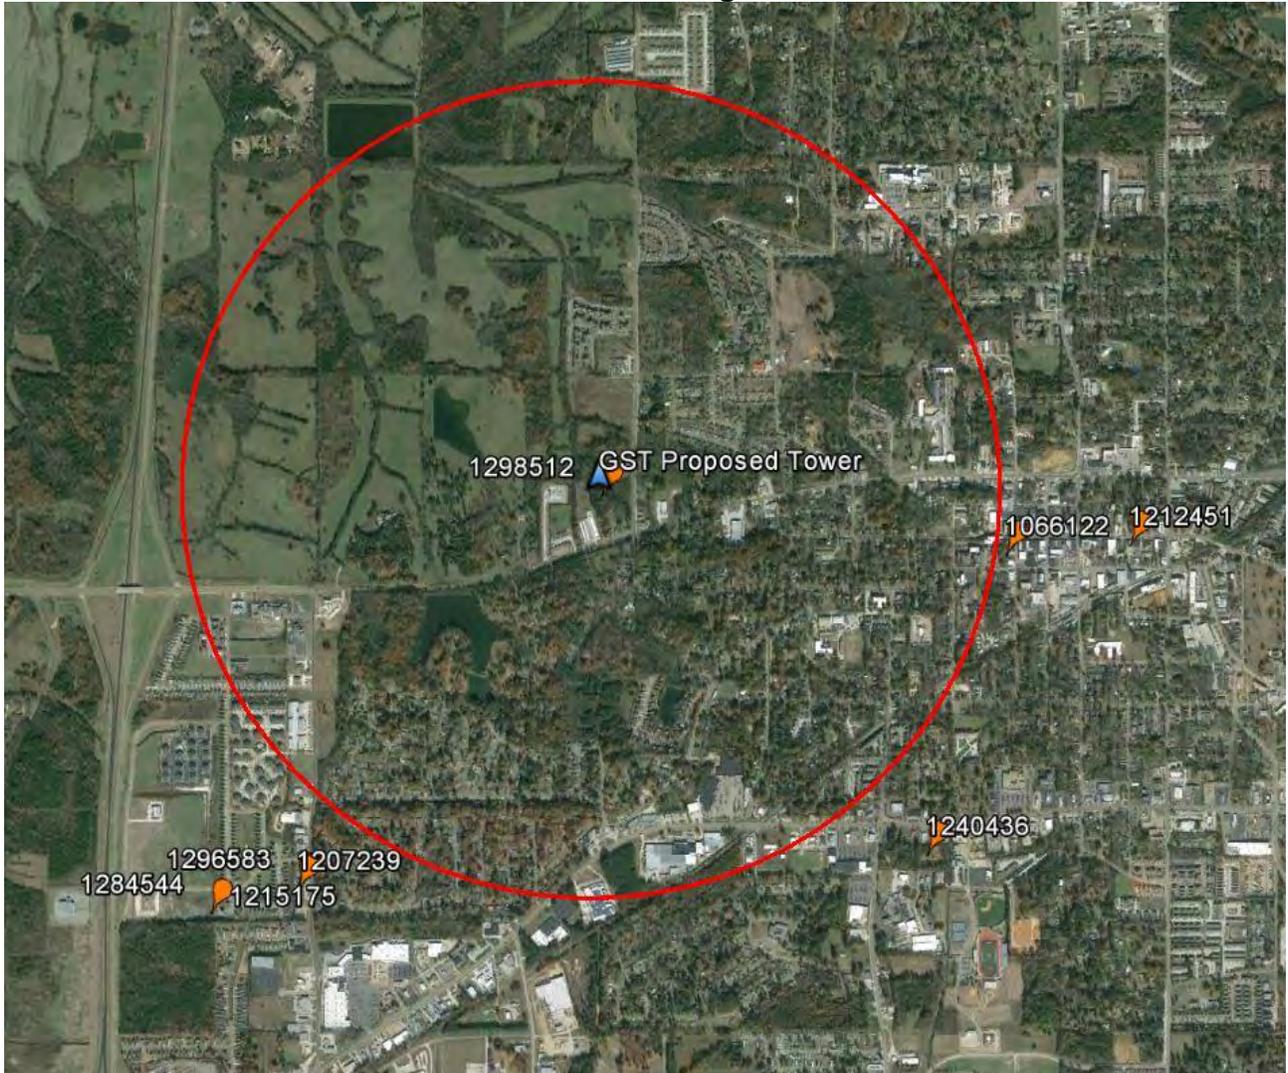

I respectfully urge you in the strongest possible terms to deny this request for variance. In the long run, this variance would be detrimental to our property value. It would significantly decrease our enjoyment of the property, and the request for 2,400 feet in variance from the requirements is not in line with the spirit of the zoning rules.

Respectfully submitted,

Jane Ellen Kendall

Re: Permission granted to GST Capital Partners

To Whom It May Concern,

This letter notifies you that GST Capital Partners, LLC has been granted permission to locate, operate and maintain a telecommunications site on this property. I do not have any problem with the tower being located close to my house.

Please let this confirm that I, Andrew Williams, is unopposed to the location of the GST Capital Partners, LLC tower MS2015007 Mini that is located at 602.5 Dr. Martin Luther King Jr. Drive West, Starkville, MS 37959, as shown in Exhibit A.

Thank you,

Andrew Williams

Monthly in advance payment	4% increase	\$ 665.60 per month	

SCOPE OF SERVICES

KONE will perform maintenance visits to examine, maintain,

adjust, and lubricate the components listed below. In addition, unless specifically excluded below, KONE will repair or replace the components listed below if the repair or replacement is, in KONE's sole judgment, necessitated by normal wear and tear. Unless specifically included elsewhere in this Agreement or unless Purchaser has separately contracted with KONE for the work, all other work related to the equipment is Purchaser's responsibility.

TRACTION ELEVATORS

RELAY LOGIC CONTROL SYSTEM

All control system components.

MICROPROCESSOR CONTROL SYSTEM

All control system components. System performance examinations will be conducted to ensure that dispatching and motion control systems are operating properly.

GEARED/GEARLESS MACHINES

All geared and gearless machine components.

WIRING

All elevator control wiring and all power wiring from the elevator equipment input terminals to the motor.

CAR EQUIPMENT

All elevator control system components on the car.

HOISTWAY AND PIT EQUIPMENT

All elevator control equipment, car and counterweight buffers, overspeed governors, governor tension sheave assemblies, and car and counterweight safeties.

RAILS AND GUIDES

Guide rails, guide shoe gibs, and rollers.

ROPES

Hoist ropes, governor ropes, and compensation ropes.

DOOR EQUIPMENT

Automatic door operators, hoistway and car door hangers, hoistway and car door contacts, door protective devices, hoistway door interlocks, door gibs, and auxiliary door closing devices.

MANUAL FREIGHT DOOR EQUIPMENT

Switches, retiring cams, interlocks, guide shoes, sheaves, rollers, chains, sprockets, tensioning devices, and counter-balancing equipment.

POWER FREIGHT DOOR EQUIPMENT

Controller, relays, contactors, rectifiers, timers, resistors, solid state components, door motors, retiring cams, interlocks, switches, guide shoes, sheaves, rollers, chains, sprockets, and tensioning devices.

SIGNALS AND ACCESSORIES

Car operating panels, hall push button stations, hall lanterns, emergency lighting, car and hall position indicators, car operating panels, fireman's service equipment and all other signals, and accessory facilities furnished and installed as an integral part of the elevator equipment. Re-lamping of signal fixtures is included only during KONE's maintenance visits. Service requests for re-lamping of signal fixtures will be billed separately at KONE's then current labor rates.

HOURS OF SERVICE

All services described above will be performed during the regular working hours of the regular working days of the elevator or escalator trade in the location where the services are performed, unless otherwise specified in the Agreement.

SERVICE REQUESTS (CALLBACKS)

In addition to the work described in the Scope of Services section, this Agreement covers requests for service during the regular working hours of the regular working days of the elevator trade. Service requests are defined as services that require immediate attention and that are within the scope of services and not excluded from the scope of services as provided below. Service requests outside the scope of services will be billed separately at KONE's then current labor rates and material prices plus mileage and incidentals. Any rates and lump sum amounts are not subject to audit. Service requests that require more than one technician or more than two hours to complete will be treated as a repair and scheduled in accordance with the Hours of Service section above. Purchaser agrees that KONE may perform service requests made by any person that KONE believes is authorized by Purchaser to make such requests.

If Purchaser requests service on overtime, Purchaser will be charged KONE's hourly billing rate for each overtime hour.

TESTS

KONE will perform the following tests on the Equipment. ~~KONE is not liable for any property damage or personal injury, including death, resulting from any test.~~

TRACTION ELEVATOR

An annual no load test as required by applicable code.

A five (5) year full load test as required by applicable code.

REPORTING SERVICES

KONE may provide Purchaser with access to KONE's online reporting tool. Based on the Purchaser's user access, Purchaser can view information about the performance and service of the

Equipment. KONE may provide Purchaser with automatic email notifications that provide information on work performed.

EXCLUSIONS

The following are excluded from the scope of services.

GENERAL

KONE is not obligated to: perform safety tests other than those specified herein; perform any work required by new or retroactive code changes; perform tests required or correct outstanding violations or deficiencies identified prior to the effective date; removal of water or excessive debris from the pit; make replacements or repairs necessitated by fluctuations in the building power systems, adverse machine room or environmental conditions (including without limitation temperature variations below 50 degrees or above 90 degrees Fahrenheit) or humidity greater than 95% relative humidity, prior water exposure, rust, fire, explosion, acts of God, misuse, vandalism, theft, acts or mandates of government, labor disputes, strikes, lockouts, or tampering with the equipment by any person other than a KONE representative, negligence or acts or omissions of the Purchaser or any third party, or any other cause beyond KONE's control.

KONE agrees to maintain the existing performance as designed and installed. KONE is not required under this Agreement to make changes in operation and/or control, subsequent to the date of this Agreement.

Notwithstanding anything contained to the contrary in this Agreement, KONE's scope of services shall not include any abatement or disturbance of asbestos containing material (ACM) or presumed asbestos containing materials (PACM). Any work in a regulated area as defined by Section 1910 or 1926 of the Federal OSHA regulations is excluded from KONE's scope of services without an applicable proposal to reflect the additional costs and time. In accordance with OSHA requirements, Purchaser shall inform KONE and its employees who will perform services in areas which contain ACM and/ or PACM of the presence and location of ACM and/or PACM in such areas which may be contacted during the performance of services before entering the area. Other than as expressly disclosed in writing, Purchaser warrants that the areas where KONE will perform its services at all times meet applicable OSHA permissible exposure limits (PELs). KONE shall have the right to discontinue its services in any location where suspected ACM or PACM is encountered or disturbed. Any asbestos removal or abatement, or delays caused by such, required in order for KONE to perform its services shall be Purchaser's sole responsibility and expense. After any removal or abatement, Purchaser shall provide documentation that the asbestos has been abated from the areas where KONE will perform its services and air clearance reports shall be made available upon request prior to the start of KONE's services.

Nothing contained within this agreement shall be construed or

interpreted as requiring KONE to assume the status of an owner, operator, generator, storer, transporter, treater or disposal facility as those terms appear within RCRA or any Federal or State statute or regulation governing the generation, transportation, treatment, storage and disposal of pollutants. Purchaser shall be responsible to execute all waste manifests necessary to transport hazardous materials for disposal.

OBSOLESCENCE

A component may become obsolete during the term of this Agreement. Obsolete components are not covered under this Agreement. KONE will provide Purchaser with a separate quotation for the price to replace obsolete components. Equipment modifications necessary to accommodate replacement of obsolete components are at the Purchaser's expense.

Components include without limitation any part, component, assembly, product, or firmware or software module. A component is obsolete when it can no longer be economically produced due to the cessation of consistent sources for materials, a loss or termination of a manufacturing process occurs, product reliability analysis shows that it is not economically feasible to continue to produce the component, escalation of component costs beyond acceptable industry expectations drive alternative equipment upgrades, the support of product safety programs or conformance to codes or standards mandates that use of a component be discontinued in its entirety, the OEM designates the component as obsolete, or such component has been installed 20 or more years. No exception to the above will be made for a component designated as obsolete because it can be custom made or acquired at any price. KONE will not be required to furnish reconditioned or used components. After the component that replaces the obsolete component is installed, that component is covered under this Agreement unless it becomes obsolete.

ELEVATOR

Refinishing, repairing, replacing, or cleaning of the: car enclosure; gates or door panels; door pull straps; hoistway enclosure; rail alignment; hoistway doors; door frames; sills; hoistway gates; flooring; power feeders, switches, and their wiring and fusing; car light diffusers; ceiling assemblies and attachments; smoke or heat sensors; fans; fireman's phone devices; intercoms; telephones or communication devices; phone lines; music systems; media displays; card-readers or other security systems; computer monitoring systems; light tubes and bulbs; pit pumps; emergency power generators; hydraulic cylinder; unexposed piping; or disposal or clean-up of waste oil or contamination caused by leaks in the hydraulic cylinder or unexposed piping. KONE is not be obligated to perform or keep records of firefighter's service testing, unless specifically included in this Agreement.

REMOTE MONITORING

If the Equipment is equipped with remote monitoring capabilities, Purchaser gives KONE the right to utilize this functionality and the phone line to the Equipment to collect data related to the use and operation of the Equipment.

SAFETY

Purchaser will provide a safe workplace for KONE personnel and safe access to the equipment, property and machine room areas and keep all machine rooms and pit areas free from water, stored materials and debris; remove and dispose of any hazardous materials, water or waste according to applicable laws and regulations; post any and all instructions and warnings related to the use of the equipment. Purchaser will be solely responsible for proper use, for supervising the use of the equipment, and for taking such steps including but not limited to providing attendant personnel, warning signs and other controls necessary to ensure the safety of the user or safe operation of the equipment.

Notwithstanding anything to the contrary in this Agreement, if in KONE's sole judgment the equipment presents a safety hazard to the riding public or KONE's technicians (including but not limited to Purchaser's act of creating or allowing unsafe practices or conditions or Purchaser's failure to authorize necessary repairs or upgrades), KONE may immediately terminate this Agreement in its entirety upon written notice. ~~To the extent that KONE provides Purchaser with any oral or written account, report, information, or other statement identifying a safety issue with the equipment that is the subject of the Agreement or otherwise makes any recommendation or proposal to make a safety improvement or to address a safety issue related to such equipment, and Purchaser does not immediately approve KONE's proposal or recommendation, Purchaser agrees to indemnify, defend, and hold KONE harmless for any claims arising out of Purchaser's failure to comply with KONE's recommendations and proposals, and any obligation on the part of KONE to indemnify or defend Purchaser with regard to such claim shall be null and void.~~

NOTICE OF MALFUNCTION OR INJURY

As to any elevator or escalator equipment that is the subject of the Agreement, Purchaser will: (i) immediately shut down any such equipment that presents a potential safety hazard; and (ii) provide prompt verbal notice to KONE's Service Center of such hazard. Purchaser will immediately notify KONE's Service Center of any injury or accident in or about such equipment, followed by prompt written notice of such injury or accident. Any indemnity of Purchaser provided by KONE under the Agreement becomes null and void and will not be considered in interpreting the Agreement if Purchaser does not take the action or provide the notice required by this provision.

THIRD PARTY SERVICES

All services within the scope of this Agreement must be performed by KONE or its subcontractors, if any. If Purchaser causes or permits a third party to perform the same or substantially the same services required by this Agreement, Purchaser waives all claims against KONE arising from or related to a third party's performance of such services.

If Purchaser determines that it requires any services outside the scope of this Agreement, Purchaser will provide KONE with an opportunity to provide a quotation for such services or to meet any offer from a third party. If KONE agrees to meet a third party offer, Purchaser will enter into a separate contract with KONE for such services. If Purchaser elects to have a third party perform the services, KONE reserves the right to adjust the price of this Agreement.

If a third party works on the equipment during the term of this Agreement, KONE reserves the right to inspect the equipment and may determine that re-work, different or additional work is required. Purchaser will reimburse KONE for the cost the inspection and any additional work required. If Purchaser declines to have KONE perform the additional work, KONE reserves the right to cancel the Agreement upon written notice to Purchaser.

NON-KONE EQUIPMENT

If the equipment covered under this Agreement was not manufactured by KONE (or a company acquired by KONE), Purchaser will: (i) provide KONE with a complete set of as-built wiring diagrams, (ii) Purchaser will procure and pay for replacement parts or proprietary diagnostic devices from the OEM, if requested by KONE, and (iii) provide Maintenance Control Plan (MCP) test procedures as required by current code, as that code may be changed or amended from time to time. KONE will reimburse Purchaser for the actual cost paid by Purchaser for OEM parts acquired at KONE's request. KONE is not responsible for any delays, damages, cost, or claims arising from or in connection with Purchaser's failure to provide OEM parts or proprietary diagnostic devices in a timely manner. Purchaser authorizes KONE to produce single copies of the EPROM and/or ROM chips for each unit for the sole purpose of an archive backup of the embedded software to allow for replacement of a defective or damaged chip. These will be stored on the building premises and the Purchaser retains possession.

TERM AND TERMINATION

This Agreement will commence on the effective date and continue for an initial period of FIVE (5) years. This Agreement will thereafter automatically renew for successive terms of FIVE (5) years. Either party may terminate this Agreement at the end of the initial FIVE (5) year term or at the end of any subsequent FIVE (5) year term by giving the other party no less

than ninety (90) days nor more than one hundred twenty (120) days written notice, via certified mail, prior to the expiration date of the then current term of the Agreement.

If a party materially breaches the Agreement, the other party may provide written notice of the breach and a reasonable time under the circumstances to cure the breach, but in no event less than a thirty (30) days cure period. If the breaching party fails to cure the breach within the specified time period, the non-breaching party may terminate the Agreement upon fifteen (15) days written notice to the other party.

CANCELLATION

If Purchaser cancels or otherwise terminates the Agreement in any way inconsistent with the termination provisions of the Agreement, such cancellation will constitute a material breach of the Agreement. In such case, Purchaser will pay as a cancellation fee an amount equal to fifty percent (50%) of the balance of the total price owed for the remaining term of the Agreement. Notwithstanding anything to the contrary in the Agreement, the cancellation fee will be paid by Purchaser immediately upon receipt of KONE's invoice. Purchaser will reimburse KONE for all costs of collection, including without limitation court costs and reasonable attorneys' fees.

ASSIGNMENT

Either party may assign the Agreement to a third party upon thirty (30) days prior written notice to the other party subject to the terms of this provision. If Purchaser transfers ownership of the premises on which such equipment is located to a third party, Purchaser will promptly provide KONE with new owner's contact information and take all such actions as are necessary to assign the Agreement to the third party. Purchaser will promptly provide KONE with a copy of such assignment.

PRICE ADJUSTMENTS

If the term of the Agreement exceeds one (1) year, KONE may automatically adjust the price annually effective on the first maintenance invoice in each new calendar year. This adjustment will be equal to the percentage increase or decrease in KONE's straight time hourly labor cost. KONE's straight time hourly labor cost equals the sum of the straight time hourly rate plus the cost of fringe benefits and applicable taxes, including without limitation welfare, pension, vacation, paid holidays, insurance and other union contributions, paid to personnel where the Equipment is located. KONE reserves the right to add annual surcharges to the price of the Agreement, including without limitation, adjustments for the then current price of fuel and charges for disposal or other environmental requirements, such surcharges to be specified by KONE in its sole discretion and invoiced by KONE and paid annually by Purchaser.

PAYMENT TERMS

Payment is due net thirty (30) days from the date of the invoice. A charge of the greater of: (i) one and one half percent (1½%); or (ii) the maximum rate permitted by applicable law, will be applied to the unpaid balance. Purchaser will reimburse KONE for all costs of collection, including without limitation court costs and reasonable attorneys' fees.

SUSPENSION OF SERVICE

If Purchaser fails to pay any invoice within the specified payment terms or if Purchaser breaches any material provision of the Agreement, KONE may stop work or suspend its services under this Agreement and/or other contracts with the Purchaser until all invoices are current or Purchaser cures the breach.

Any requests for service during the period of suspension of service or repairs necessitated by the lack of maintenance service will be invoiced by KONE and paid separately by Purchaser.

If Purchaser fails to make timely payment, any indemnity provided by KONE under the Agreement is null and void as to any damages that arise during the period of non-payment.

Purchaser waives all claims against KONE arising from or related to suspension of service pursuant to this provision.

TAXES

Purchaser is responsible for the payment of all federal, state, or local taxes applicable to the services or materials provided under the Agreement.

INDEMNIFICATION

To the extent permitted by law, each party will indemnify, defend, and hold the other party harmless from and against any and all claims, demands, actions, suits, proceedings, judgments, damages, loss, liabilities, costs, or expenses, including without limitation court costs and reasonable attorney's fees, arising from or related to the indemnifying party's sole negligence or willful misconduct in performance of the Agreement. Each party is responsible for its share of any comparative or contributory negligence without indemnity by the other party. Each party's indemnity obligations are expressly conditioned on the indemnified party: (i) giving the indemnifying party prompt written notice of each claim; (ii) promptly tendering to the indemnifying party the defense or settlement of each claim; and (iii) cooperating with the indemnifying party at the indemnified party's expense in defending or settling each claim. If an indemnified party does not comply strictly with the terms of this provision, the indemnifying party's indemnity obligations will become null and void and will not be considered in interpreting the Agreement.

LIMITATION OF LIABILITY

Notwithstanding anything to the contrary in this Agreement, KONE's total liability to Purchaser under the Agreement is limited to the total amount paid by Purchaser to KONE during the calendar year in which the liability occurred.

In no event will either party be liable to the other party for indirect, incidental, consequential, special, exemplary, or punitive damages of any kind or nature arising from or related to performance of the Agreement, including without limitation loss of profits, loss or inaccuracy of data, or loss of use damages, even if the party has been advised of the possibility of such damages and even if under applicable law such damages would not be considered for indirect, incidental, punitive, special, or consequential damages. Each party hereby waives its rights to such damages to the fullest extent permitted by applicable law. If there is any litigation between the parties with respect to this Agreement or the subject matter hereof, the prevailing party in such litigation shall be entitled to collect all of its costs and expenses in such litigation, including reasonable attorney's fees and court costs, from the other party.

KONE will provide Purchaser with a copy of its standard certificate of insurance.

Any waiver of claims, damages, or other rights, whether such rights arise under the Agreement or by law or in equity, purported to be made by KONE in the Agreement is null and void and will not be considered in interpreting the Agreement.

U.S. GOVERNMENT SALES

If the product(s) or service(s) provided under this Agreement are for end use by a federal, state or local government customer, KONE makes no representations, certifications or warranties whatsoever with respect to the ability of its product(s), service(s) or price(s) to satisfy any applicable federal, state or local statutes or regulations, including without limitation the Federal Acquisition Regulation ("FAR").

FORCE MAJEURE

A party is not liable for failure to perform its obligations under the Agreement if such failure results from Acts of God, fire, flood, unusual delay in deliveries, unavoidable casualties, terrorist activities, government sanction, blockage, embargo, labor dispute, strike, or lockout, concealed conditions, shortage or unavailability of materials, supplies, labor, equipment or systems, interruption or failure of electricity or telephone service or any other causes beyond KONE's control. The non-performing party must promptly notify the other party in writing of the force majeure event and resume performance immediately upon cessation of the event.

VENUE

The exclusive venue for any dispute between the parties shall be in the County and State of the Premises as set forth on Page 1.

PROPERTY RIGHTS

KONE will provide Purchaser with any information or materials that it provides generally to all its customers in the ordinary course of its business. Any tools, devices, or other equipment that KONE uses to perform its services or monitor the Equipment remains the sole property of KONE. If this Agreement terminates or expires for any reason, Purchaser will give KONE access to the premises to remove such equipment at KONE's expense.

KONE retains all rights, title, and interest, including all intellectual property rights, in and to the written materials it provides to Purchaser or uses to perform its services, including without limitation shop drawings, technical documentation, and user manuals, and to any software provided with the equipment. Purchaser will not use such software except in connection with the use and operation of the Equipment. Purchaser will not reverse engineer or otherwise attempt to obtain the source code of any software in object code form.

MISCELLANEOUS

The Agreement, including any attachments, supersedes all prior written or oral negotiations, commitments, agreements, and understandings between the parties relating to the subject thereof, and constitutes the entire agreement between the parties with respect to the subject matter hereof. The Agreement is not effective until signed by KONE's authorized representative or until KONE commences work under the Agreement. Notwithstanding anything to the contrary in this Agreement, if Purchaser causes or permits KONE to commence performance of services, Purchaser accepts the terms and conditions of this Agreement. The Agreement may not be modified, amended, canceled, or altered by custom and usage of trade or course of dealing. Any section headings are for convenience only and will not in any way limit the scope or affect the interpretation of any provision of the Agreement. In the event any part of the Agreement is determined to be invalid or non-enforceable, the remaining part or provisions will continue in full force and effect. Failure or delay by a party to exercise any right, remedy, power, or privilege accorded by the Agreement does not constitute a waiver of such right, remedy, power, or privilege. A waiver is effective only if in writing and signed by the waiving party. A written waiver of default will not operate as a waiver of any other default or of the same default in the future. The terms and conditions of the Agreement that by their sense and context are intended to survive expiration or termination of the Agreement will so survive, including without limitation the making of all payments hereunder.

KONE Care Remote Monitoring Service Voice Link and Wireless Phone Service Option

KONE will provide KONE Care Phone Monitoring Service.

Customer shall:

- Provide names and phone numbers of at least two of its representatives for the KONE Service Center to contact on a 24 hour basis, and at least one police, fire or local 911 agency phone number.
- Notify KONE immediately in writing of any changes in these names or numbers. In the event of a call from the elevator, the KONE Service Center will contact the points of contact in the order listed. The local authorities will be contacted if the previously mentioned points of contact cannot be reached.

If KONE wireless phone service is provided, then KONE provides the phone connection via a KONE provided wireless service and customer shall provide the ability to reactivate the analog phone line in the event KONE can no longer provide wireless service. Customer shall also provide KONE access to the appropriate location where the building telecommunications devices are located. KONE also reserves the right to remove the wireless hardware in the event KONE no longer provides the wireless service or maintains the equipment.

If KONE does not provide wireless phone service, customer shall provide an analog phone line to the elevator machine room (to be terminated to the appropriate phone jacks). If phone line is an extension off an existing phone system, a backup power source must also be provided. An extension, if applicable, must be a direct inward dial (DID) extension. All phones and associated equipment shall be in compliance with the requirements of ASME A17.1, local codes and applicable law, as amended. Customer shall also provide the elevator phone number(s) and/or extension(s) for the phone(s) being programmed.

Activation Fee: No Charge

Service Fees: Purchaser will also pay a service fee of \$0.00 per annual installment.

The Service Fee is based upon annual in advance payment. In the event Purchaser chooses an alternate payment option on page 1, additional surcharge will apply.

Challenging the Police Culture

Dynamic Change Management

Crisis Management for the Chief Executive

Challenging the Police Culture (3 hours)

Challenging the Police Culture is presented in a dynamic and engaging interactive format that explores the continuing evolution of today's law enforcement organizational culture. Designed for both law enforcement chief executives as well as command officers, the instructor will lead participants in a review of law enforcement's traditional paramilitary organizational structure. The class will then probe the concept of a new *hybrid* organizational structure, infusing elements of a contemporary business model focusing on customer-centric service delivery. Together, participants will challenge traditional ways of looking at our profession, to include consideration of a new language to accompany this new perspective. Examples of success and failures in this endeavor will be reviewed and deliberated. While more of a *think-tank* than a classroom lecture, this course is a must for those seeking ways to re-energize our profession and our organizations. Additional topics discussed in this course of instruction include:

- The importance of critical thinking; to include *free* and *gray* thinking
- Organizational paradigms
- The concept of "good will equity"
- Customer Connectivity vs. Customer Relationship Management
- Key components of customer service
- How *revolving gap analysis* fuels high performance organizations
- Business speak vs. Cop speak
- The relevance of branding and developing brand loyalty
- Building and maintaining a value chain to enhance service delivery
- Quality Assurance Programs that deliver a Return on Investment
- Building new business metrics

Crisis Management for the Chief Executive – Surviving the Storm (2 hours)

As Police Chiefs, we are living in dangerous times - both for our profession and for our careers. We are besieged by external forces with questions about how we conduct business as a profession. We are also faced with the complexities of leading and managing across generational cohorts, while oftentimes coping with volatile forces within our communities. And of course, all of these generations react differently to crisis and adversity. While we try to maneuver the hazardous highway of leadership and policing success without crashing, many of us continue to make some of the same mistakes that many of our predecessors did before they left our profession on someone else's terms. ***Crisis Management for the Chief Executive - Surviving the Storm*** revisits some of the root causes of leadership fail and examines how to combat internal conflict and crisis. As importantly, participants will learn how to more effectively manage crisis (both internally and externally). Topics discussed in this course of instruction include:

- Defining and managing adversity, setbacks and crises
- Fighting the war on Organizational Terror – coping with the Organizational Terrorist (OT)
- Profile of the Organizational Terrorist
- Common battlefield tactics of the OT
- Leaderships Tactical Countermeasures
- The problem command officer
- A four-step approach to crisis management

Dynamic Change Leadership – Building a Performance Culture (2-3 hours)

You've worked your entire career to get to the top. You've promised along the way that if you ever get the chance to do things differently and right the wrongs of old school

errors, you will. But something strange has happened. You're now sitting in the top spot and you feel vulnerable. The answers don't seem so clear now, particularly since you've never been the final arbiter of all the right answers. ***Dynamic Change Leadership – Building a Performance Culture*** examines the unique, strange and hazardous dynamics of contemporary law enforcement leadership. Unless you're content being a maintenance Chief, you will want to attend this thought-provoking review of the critical keys to dynamic change leadership. Topics discussed in this course of instruction include:

- The theory of *Peak Professional Paralysis*
- Courageous leadership and risk aversion

Building Your Foundation for Success (2 hours)

Building Your Foundation for Success is offered as a roadmap for contemporary police chiefs and command officers who seek to build a personal platform for success. The instructor makes the case that there are few executive positions across America as hazardous and difficult as the head of a modern law enforcement agency. Political acrimony, evolving social agendas, growing societal/demographic divides, citizen apathy, economic instability, and the *war on police* are but a few of the volatile dynamics each of us encounters every day. In the midst of these challenges, building a foundation for success is crucial. Topics covered in this course of instruction include:

- Foundational pillars of success
- Bases of power
- Implied Authority and Presumptive Credibility
- The critical importance of relationships
- Interactions with elected officials, customers, your boss, media, and your employees
- The art of networking
- Conventional networking vs. leadership networking
- The science of human connectivity

Building Time Management Skills (4 hours)

Never before have contemporary police executives been busier. The economic recession has pillaged our budgets, assaulted our pension plans, and forced all of us to do more with less. Meanwhile, the demands on our agencies and our time are increasing as a critical public and nervous government leaders want more than simple traditional policing. And let us not forget, we are expected to foster a positive, synergistic workforce while meeting their myriad of needs and succession planning them for future success. **Building Time Management Skills** provides attendees with a buffet of options and considerations to aid in rethinking how we manage ourselves, our time, and our careers. Topics covered in this course of instruction include:

- An accelerating world – top technology predictions
- Essentials of time management
- Developing a time management plan
- Setting priorities and managing your work day
- Getting organized and eliminating top time consumers
- Meetings gone wild
- Email etiquette and efficiency
- The use of technology to mitigate inefficiency
- The art of delegation
- Tactical and strategic planning
- Managing professional relationships

**TABULATION OF BIDS
FOR FOUR (4) 13 kV VACUUM CIRCUIT BREAKERS
FOR NORTHEAST STARKVILLE 161/13 kV SUBSTATION**

BIDDER	SUPPLIER	DELIVERY TIME	TOTAL BASE BID PRICE	LIFE CYCLE COST EVALUATION ADDER	TOTAL LIFE CYCLE EVALUATED COST
Mitsubishi Electric Power Products, Inc.	MEPPI	16 Weeks ARO	\$94,162.00	\$42,000.00	\$136,162.00
Garner Lumley Electric Supply Co.	ABB	15-20 Weeks ARO	\$84,158.00	\$60,000.00	\$144,158.00

Notes: Owner's Life Cycle Cost Evaluation calculated as described in Materialman's Proposal Form and shown below:

MEPPI: (3 Service * \$3,500.00/Service * 4 CB) = \$42,000.00

ABB: (3 Services * \$3,500.00/Service * 4 VCB) + (Replacement ED2 Board * 3 Services * \$1,500.00 * 4 VCB) = \$60,000.00

I hereby certify that this is a true and correct tabulation of the Bids for four (4) 13 kV Vacuum Circuit Breakers received by Starkville Utilities on October 20, 2016.
