HOMEOWNER DECLARATION

Nothing shall prohibit a bona fide owner from personally installing electrical wiring or equipment within their bona fide residence, providing that the applicant is a qualified person and work is in a single-family residence used exclusively by their family. Such privilege does not convey the right to violate any of the provisions of the City's building and/or electrical codes, nor is it to be construed as exempting any such property owner from obtaining a permit and paying required fees thereof. I have read and understand this section.
